Making A Partner An Erotic Romance English Edition:

The Book of Love James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something guite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality. In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the guest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived and Ethos Jason Stotts, 2018-02-09 Sexual ethics has historically been a bleak landscape of three false alternatives resist abstain or indiscriminately indulge In Eros and Ethos philosopher Jason Stotts presents a radical new alternative in which sex is an ethically important part of a rich human life He shows how sex is a significant expression of our character because sex arises out of the deepest and most fundamental parts of who we are On his account virtue lies in proudly bringing desire in line with our flourishing so that we can create rich and meaningful lives How to Romance the Man You Love-- the Way He Wants You To!
