It Was Always You:

It Was Always You Rebecca Franco,2020-07-09 After suffering years of abuse at the hands of her husband just when she thought there was no hope left Alexis is unexpectedly swept off her feet by the brooding and handsome Blake Unbeknownst to her Blake has his share of issues as well Blake s football career is flashing before his eyes due to his temper on the field Blake to also felt there was no hope left and was ready to give up when he suddenly meets the woman of his dreams Together the two begin to heal each other s wounded hearts while falling passionately in love Alexis knows that Henry is a terrible person but she has no idea just what he is capable of Henry will stop at nothing to get his wife back even if it means taking any life that tries to get in his way

It Was Always You D.H. Starr,2013-04 A drama club geek and a consummate jock hardly a formula for friendship Yet Caleb Richards and Kevin O Brien have been best friends since high school Kevin s free spirited ways brought Caleb out of his shell and Caleb introduced Kevin to a world outside of sports When Kevin came out to Caleb as gay all the things he d thought were wrong about himself suddenly seemed right except for his inability to say the four words that could open the door to his ultimate happiness I love you Kevin Years later when Caleb finally faced his fear and plans to finally tell Kevin It was always you he s a bit too late Kevin tells him he s found someone How will a friendship ever become more now Publisher s note It Was Always You was originally published in the Friends to Lovers anthology

It Was Always You 2 B. Love,2018-05-30 In part one of It was always You Nehemiah and Slim committed themselves to each other no matter the cost In part two their loyalty is tested When secrets are revealed and betrayal is made known the roles reverse It is no longer Nehemiah who has reservations about their commitment but Slim Fatima has secrets of her own Secrets that make it almost impossible for her to accept love from Quentin or anyone else Known as a man who always gets what he wants Quentin is up against the biggest fight of his life choosing to love a woman through her pain even if it causes him pain in the process or letting her go and wondering what if Both couples battle their pasts and secrets threatening their futures Both couples can say It was always you but in the end they must decide if love is really worth it

Jesus, It was Always You Bonnie Isbell,2023-10-17 Every woman and perhaps every man longs to be loved to be tenaciously pursued by someone who simply will not give up until they have owned the other s heart We need to know that this love is unconditional and will not become disillusioned or lose its intensity We need the security of forever Have you ever found yourself in a spiritual pit feeling lost unloved unlovable and unsure of just who you are If you long for a passionate love relationship that you can hang your identity on forever if you have never understood that the entire Bible from cover to cover is a love story of God s relentless pursuit of you if you need to know that you have a covenant partner whose love for you has no limits if you long for a solid stable place to throw down an anchor for your soul this is where your yearnings will at long last be satiated You will never be the same

On showering, I dried Prabhat Tiwari,2020-06-27 This book is a compilation of various works of mine during a journey that still makes my hair protrude every time I dive into the memories It is about the feelings a

person experiences when he falls in love it is also about a man's journey when he is in love with someone he thinks is going to stay forever with him And finally this book gives a taste of the heartbroken feelings of either person when the other leaves Be it death or whatever the reason the pain is equivalent to both of them You are going to experience the joys and pleasures of falling for someone There are things in life that are meant for us and we take a lot of time to realize that and when our realization struck in it is too late There will be days when you'll wish all of it might have never happened and also there will be days when you'll believe none of it can be any better So I'd just say hold on hold onto the person you love because life is difficult it is painful it is going to crush you in a million ways possible What matters is that the person you love and care about is by your side This book also has a third part the collapse of a relationship but what I would say is do whatever you can but never let your relationship collapse Silence is the enemy of love fight because there might be a chance you'd get back together but silence only increases the distance between you two **The Phantom Lover** Ruby Mildred Ayres,1921
