Zombie History Peter Charles Hoffer, 2020-01-02 Fake history is not a harmless mistake of fact or interpretation It is a mistake that conceals prejudice a mistake that discriminates against certain kinds of people a mistake held despite a preponderance of evidence a mistake that harms us Fake history is like the Zombies we see in mass media for the fake fact like the fictional Zombie lives by turning real events and people into monstrous perversions of fact and interpretation Its pervasiveness reveals that prejudice remains its chief appeal to those who believe it Its effect is insidious because we cannot or will not destroy those mischievous lies Zombie history is almost impossible to kill Some Zombie history was and is political a genre of what Hannah Arendt called organizational lying about the past Its makers designed the Zombie to create a basis in the false past for particular discriminatory policies Other history Zombies are cultural They encapsulate and empower prejudice and stereotyping Still other popular history Zombies do not look disfigured but like Zombies walk among us without our realizing how devastating their impact can be Zombie History argues that whatever their purpose whatever the venue in which they appear history Zombies undermine the very foundations of disinterested study of the past

Thunder Road: Every Journey Has A Beginning ... Wayne Kyle Spitzer, 2021-08-15 In a world beyond imagination they would stand by each other no matter what After a devastating time storm called the Flashback eliminates most the population and recolonizes the world with prehistoric flora and fauna three boys bearing a powerful talisman set out on an impossible quest An all new post apocalyptic adventure for mature young adults set in the same world as Flashback A Survivor's Guide to the Dinosaur Apocalypse Ank and Williams A Reign of Thunder and The Lost Country From Thunder Road Jesse Quint Long fuses I rolled the 50 pound bag off the Talon And remember Straight for the bikes I was referring of course to the special fuses we'd made which it was hoped would provide cover after we left That's a negative hombre shouted Quint I'm fresh out of lighter fluid over here He quickly added Jesse Get over here No I barked Belay that order Keep up your barrage And I was on my way bounding for Quint and holding up my lighter shaking it impatiently as he turned and just stared at it disoriented shell shocked Some of my rockets had after ricocheting about wildly blown up right next to him Take it I snapped even as a ghost white snout lunged at him through the window lunged at him and crashed to a halt snarling gnashing its teeth at which Quint spun upon it and clocked it in the nose hard and just kept clocking until it yelped and beat a retreat Okay I said go go go And he took the lighter And then I could only return to the Talon and snatch it up off the floor noting its fading color its waning strength before swinging it around my head and barking There's never going to be a better time How much more Just about said Jesse and continued Just okay Okay

I m clear I looked at Quint who was still lighting All right forget it let em go He moved the lighter from one fuse to the next Hold on he said just hold on At which we could only watch rocking on our feet hopping up and down until he lit the last fuse and jumped down from the bucket And then we were hustling double timing it as they say up the stairs and out of the diner where not a single predator could be seen Then we were scrambling for our bikes our pinto horses of plastic and steel which gleamed like salvation even as the long fused rockets began to explode and the Nano As active but in hiding began to whimper and howl That s when I knew it when I could feel it in my bones That we d passed our first test survived our baptism by fire That s when I knew that our journey would be complete as we sat on our bikes with our spears canted at our backs like the bows of Indian braves I fancied and having returned the Talon to its canister watched the last of the fireworks as they burst and boomed above Watched brooding as they turned the sky first white then green then blue and finally a deep lingering red after which taking a cue from our fellow animals we began to howl ourselves *Reading the Bible with Horror* Brandon R. Grafius,2019-10-25 In *Reading the Bible with Horror* Brandon R Grafius takes the reader on a whirlwind tour through the dark corners of the Hebrew Bible Along the way he stops to place the monstrous Leviathan in conversation with contemporary monster theory uses Derrida to help explore the ghosts that haunt the biblical landscape and reads the House of David as a haunted house Conversations arise between unexpected sources such as the Pentateuch legal texts dealing with female sexuality and Carrie Throughout the book Grafius asks how the Hebrew Bible can be both sacred text and tome of fright and he explores the numerous ways in which the worlds of religion and horror share uncomfortable spaces
