

ARSL

*"I have been a director of a small library (pop 3400) for many years. Attending 'regular' library conferences was often a waste of time and money, because so many (if not all) of the sessions were geared to larger libraries or systems. The ARSL conference is just the opposite. ALL the sessions are for us! "*

**Jackie Mills**

Mt. Angel Public Library (OR), Library Director

Fostering Family History Services Rhonda L. Clark, Nicole Wedemeyer Miller, 2016-02-22 Here is everything you need to promote your library as a center for genealogical study by leveraging your collection to help patrons conduct research on ancestors document family stories and archive family heirlooms Websites social media and the Internet have made research on family history accessible Your library can tap into the popularity of the do it yourself genealogy movement by promoting your role as both a preserver of local community history as well as a source for helping your patrons archive what s important to their family This professional guide will teach you how to integrate family history programming into your educational outreach tools and services to the community The book is divided into three sections the first introduces methods for creating a program to help your clients trace their roots the second provides library science instruction in reference and planning for local collections and the third part focuses on the use of specific types of resources in local collections Additional information features methods for preserving photographs letters diaries documents memorabilia and ephemera The text also includes bibliographies appendices checklists and links to online aids to further assist with valuating and organizing important family mementos *Better Library Design* Rebecca T. Miller, Barbara A. Genco, 2015-12-28 Few librarians build more than one library in their careers and renovating or building a whole new library is a very expensive investment Thus new or refurbished structures need to be fresh and up to date While some librarians have the means to visit exemplary buildings as they develop their own library s master plan most library leaders and stakeholders won t actually see the full range of potential projects Hence this unique book is both a resource and a brainstorm prompt It helps library leaders and key stakeholders surface the ideal programmatic aspects that drive exciting design and offer recent design solutions that have been effectively implemented *Better Library Design Ideas from Library Journal* identifies and celebrates the top trends in library design capturing current state and provides an authoritative overview for those planning their own projects This is a colorful high content survey of dynamic library building projects completed in the last five years in both public and academic settings Anchored by Library Journal s New Landmark Libraries competition here is the nation s best examples of innovative functional appealing design all in glorious full color so you ll be both inspired and informed as you make important design choices **Library Literature & Information Science** ,2007 An index to library and information science literature The Florists Exchange and Horticultural Trade World ,1951 *The National Book Association* National Book Association,196?
