John Wesley Lessons For Children:

John Wesley and the Faith Formation of Children Colleen Derr, 2013 *Wesley on Religious Education* John Wesley Prince, 1926 *John Wesley and the Education of Children* Linda A. Ryan, 2017-11-06 Scholars have historically associated John Wesley's educational endeavours with the boarding school he established at Kingswood near Bristol in 1746. However, his educational endeavours extended well beyond that single institution even to non Methodist educational programmes. This book sets out Wesley's thinking and practice concerning child rearing and education particularly in relation to gender and class in its broader eighteenth century social and cultural context. Drawing on writings from Churchmen, Dissenters, economists, philosophers and reformers as well as educationalists, this study demonstrates that the political, religious and ideological backdrop to Wesley's work was neither static nor consistent. It also highlights Wesley's eighteenth century fellow Evangelicals including Lady Huntingdon, John Fletcher, Hannah More and Robert Raikes to demonstrate whether Wesley's thinking and practice around schooling was in any way unique. This study sheds light on how Wesley's attitudes to education were influencing and influenced by the society in which he lived and worked. As such, it will be of great interest to academics with an interest in Methodism, education and eighteenth century attitudes towards gender and class. *Lessons for Children* John Wesley, 2018-04-24 The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time, these high-quality digital copies of original 18th-century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic, a debate that continues in the twenty-first century. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification. Bristol: Printed by Felix Farley in the year 1746. 76p. 12 **John Wesley's Teachings, Volume 3** Thomas C. Oden, 2013-01-22 John Wesley's Teachings is the first systematic exposition of John Wesley's theology that is also faithful to Wesley's own writings. Wesley was a prolific writer and commentator on Scripture; his collected works fill eighteen volumes, and yet it is commonly held that he was not systematic or consistent in his theology and teachings. On the contrary, Thomas C. Oden demonstrates that Wesley displayed a remarkable degree of internal consistency over sixty years of preaching and ministry. This series of 4 volumes is a text-by-text

guide to John Wesley's teaching. It introduces Wesley's thought on the basic tenets of Christian teaching: God, providence, and man. Volume 1: Christ and salvation; volume 2: the practice of pastoral care; volume 3: and issues of ethics and society; volume 4: In everyday modern English. Oden clarifies Wesley's explicit intent and communicates his meaning clearly to a contemporary audience. Both lay and professional readers will find this series useful for devotional reading, moral reflection, sermon preparation, and for referencing Wesley's opinions on a broad range of pressing issues of contemporary society. **Mapping Out Curriculum in Your Church** James R.
