

"I read *Josh and Hannah* in one sitting. . .
Josh Turner really hit a sweet spot for me."
—*New York Times* bestselling author Joanna Wylde

A couple is seen from behind, sitting on a beach and looking out at the ocean during a golden sunset. The man has his arm around the woman's shoulder. The sky is a warm orange, and the water reflects the light.

Josh and Hannah Lynda Chance, 2014-01-29 USA Today bestselling author of *Rule's Obsession* and *Rule's Property* Lynda Chance brings you the New Adult romance *Josh and Hannah* Book One of the Redwood Falls series Blurb First Crush First Kiss Only Love Hannah McIntyre has been infatuated with Josh Turner well forever But he's older than she is quiet and intense and way out of her league An Alpha Male in the making Josh Turner wants Hannah more than life itself She's perfect shiny and new but she's a McIntyre She's from the richest family in the county and he's a Turner from the wrong side of the proverbial tracks And to make matters worse there's no love lost between their families So what do you do when someone else is going to step in and take the girl you'll die if you can't have There's only one thing you can do you reach out and take her Excerpt Hannah attempted to stay away from the small strip of fencing that separated the border between the McIntyre and Turner lands But almost every afternoon when the weather allowed she climbed on one of the four wheelers and drove the fence line until she ended up at the place that overlooked Turner property She did this for weeks and never saw anyone And then one day she hit pay dirt Josh was working on the old well house that stood twenty or so feet over the fence line She saw him glance up when he heard the hum of the engine and nerves tightened in her stomach as he stood to his full height and turned toward where she approached the fence She'd been waiting for this no matter how much she lied to herself and when he began wiping his forehead on his shirtsleeve and walking over to the fence she let the engine idle and waited She couldn't read the expression on his face but she had a sinking feeling in the pit of her stomach that said it wasn't good He came directly in front of her and stood on the opposite side of the barbed wire fence his brilliant green eyes running over her She stayed silent and concentrated on the tic in his cheek and tried to calm her raging heartbeat His words when he spoke were low controlled and as smooth as whiskey I'm thinking this can't be a coincidence princess Embarrassed by the truth Hannah immediately thought to deny it but she didn't want to lie She remained silent as she tried to think of a response that wouldn't completely humiliate her She waited too long and he began to remonstrate I kind of had the idea I'd already made myself plain Maybe you didn't understand His words were low and heated and even though she heard the controlled anger his voice washed through her like cold water on a hot summer day I'm sorry she managed to softly apologize Josh continued to stare at her without speaking and then in a rush of movement his booted foot stepped on the second rung of barbed wire and forced it down as his gloved hand simultaneously pulled up the third rung and that easily in a move that ranchers had been using for decades he bent down and slid unscathed through the treacherous wire and stood in front of her He pulled the leather work gloves off one at a time and stuffed them in his back pocket Then he reached out and cut the engine with a twist of the key He stood over her where she sat on the cracked vinyl seat of the four wheeler her body turned slightly to his He was so close she could see the beads of perspiration on his face and smell the heady delicious aroma from the sweat that drenched his t-shirt The masculine combination was almost more than she could stand Her eyes started to slip closed in a

sharp shocking agony of arousal They flew open again when she felt his rough fingers on her chin His eyes glittered down at her his nostrils flaring Hannah baby we have to get this straight between us Maybe I should have spelled it out better Do you know anything about the deadbeat who calls himself my father He s always drunk He s in and out of jail all the time The sheriff watches me like a hawk because he thinks I m just like him He expects me to cause trouble one way or the other His thumb caressed her chin gently in direct opposition to the fierceness of his voice Now what do you think the sheriff would do if I suddenly took up with the fifteen year old town princess His eyes glittered down at her giving her a moment to digest his words before his hand tightened on her jaw once again and he continued You need to stay away from me Don t make this harder on me than it already is You don t know what it s doing to my insides knowing I can have you but I can t His fingers unclenched from around her jaw and then became caressing once again You understand Hannah tried to answer She licked her lips and opened her mouth to speak but the words stalled again as Josh s eyes fell to her mouth and his fingers tightened on her face Her throat closed up and no words came His eyes tangled with hers and seconds slipped by until an agonized ferocious look crossed his features and he bit out Repeat after me princess Josh wants me Shock and heat hit her system and she gasped His fingers shifted slipped into her hair and his voice hissed out I m serious Repeat it Josh wants me Josh please Now he barked and she jumped Josh w wants me her voice came out shaky and soft Josh wants me so bad his guts are tied in knots of constant pain he pounded the words through his teeth and waited His eyes seared into hers and she attempted to answer Josh wants me s so bad she found it impossible to say and her words dwindled off He reached up and his fingers twisted through her hair until he was holding her face in both of his strong hands He continued to punch out his words in third person He thinks about me constantly As he spoke his gaze ran over her lips her nose and the hair that he held in his hands He lives from one hour to the next for the day he can sink into me Hannah s insides were lacerated by his primal words It was almost more than her youth and innocence could handle At the same time an exquisite pleasure infiltrated her system at what he was telling her He was telling her the truth He wanted to be with her just as much as she wanted to be with him Her body shook as the depth of his need and what he was trying to convey to her sank in He continued in a harsh biting tone But I don t want Josh to go to prison She was silent as she trembled in his hold Say it he bit out A single tear escaped from her eye Say it he growled even as his thumb shot out and wiped away the tear Hannah sucked in a shuddering breath I d don t want Josh to go to p prison Her eyes closed as more tears welled over His hands lifted from her and he took a step back Good girl he praised Do us both a favor and remember that the next time you come looking for me Repeat it to yourself if it helps I m dead serious Hannah You may feel grown up you may even know what you want but the State of Texas doesn t agree with you He took another step toward the fence and turned once more to stare into her eyes His voice softened only slightly You have to have mercy on me princess There s only so much I can take before I ll snap Josh and Hannah Redwood Falls Book One Keywords New Adult contemporary romance Bad boy good girl alpha male virgin series romance Josh and
