

# The Crucible: Act One Questions

Answer the following questions on your own paper and turn it in by the end of the period.

Write complete answers only, do not rewrite the questions.

## Act One Short Answer:

1. "So now they and their church found it necessary to deny any other sect its freedom, lest their New Jerusalem be defiled and corrupted by wrong and deceitful ideas." What is the irony in that statement?

The irony in this statement is that the Puritans had left England in search of religious freedom, as they were being marginalized. However, they have created conditions in the colony that have made their living situation worse than what it had been.

2. Explain how the witch-hunt years were a time of "general revenge."

Due to the beliefs of the Puritans, they had to repress their anger and hatred towards one another. However, during the time of general revenge, they could release their pent-up emotions by accusing others of being witches.

3. Identify Tituba, Abigail, and Betty.

Tituba is Mr. Parris' slave from Barbados. She went with the other girls to the forest and showed them beliefs outside of those belonging to Puritans, which led to the witchcraft accusations. Abigail is the niece of Mr. Parris, and she drank blood in the forest so she could have Mr. Proctor's wife die since they were having an affair together. Betty is the daughter of Mr. Parris, and after the events in the forest she has seemingly become bewitched.

4. Why does Mrs. Putnam believe there are witches in Salem?

Mrs. Putnam's belief of witches can be attributed to how she has lost seven of her eight children in childbirth, and now her eighth child has seemingly become bewitched.

5. Why is Thomas Putnam bitter?

Thomas Putnam is bitter since the man who he favored to be town reverend was overlooked. He would also like to garner more land and power but has not been able to do so.

6. Parris says, "Oh, Abigail, what proper payment for my charity! Now I am undone!" Explain what that means.

Parris had taken Abigail in, but she is ruining his image. He finds this to be highly offensive as he had been providing for her and she could now ruin his livelihood with the rumors of witchcraft.

7. What is Mary's argument to Abby about telling the truth to her uncle?
