## **Law In Social Work Practice:**

**Using the Law in Social Work** Robert Johns, Jacqueline Harry, 2022-11-23 A core function of social work is to assist empower and protect the most vulnerable in society Social workers make difficult decisions in complex and challenging situations every day They work in organizations that have clear statutory duties Therefore it is essential that social work students know what their responsibilities are Familiarity with law legislation and legal processes is consequently fundamental to sound social work practice This best selling book will help you gain this foothold in understanding law as it applies to social work practice It avoids complicated legal jargon remote from the everyday realities of practice offering instead a grounding in legally appropriate rights based social work It covers the full range of social work law including services for children and families and child protection adult care law youth justice court work professional regulation and human rights

*Social Work Practice and the Law* Lyn K. Slater, Kara R. Finck, 2012 Print CourseSmart

*An A-Z of Social Work Law* Robert Johns, Jacqueline Harry, 2021-10-09 Designed for both students and newly qualified social workers this dip in and out of guide introduces students to over 300 key laws legal terms and legal processes in a concise and no nonsense way I t covers all areas of social work practice ensuring students have the knowledge they need to apply the law with confidence

Using the Law in Social Work Robert Johns, 2020-05-09 Familiarity with law legislation and legal processes is fundamental to sound social work practice This book helps social work students gain this foothold in understanding law as it applies to social work practice

*The Role of Law in Social Work Practice and Administration* Theodore J. Stein, 2004-08-18 The strong nexus between law and social work is beyond dispute the law informs day to day social work practice and administration and social workers are employed by the courts Moreover they work collaboratively with attorneys in legal aid offices public defenders offices and other law enforcement settings interviewing clients preparing reports for use in court interpreting social science information and providing consultation on how best to approach client problems This book addresses the relationship between the professions of social work and law and helps social workers develop the knowledge necessary to practice in a legal environment The author focuses on how the law affects the day to day practice of social work the creation administration and operation of social service agencies and the ways in which social workers and attorneys collaborate to serve the public

Ethics and Law for Social Workers Robert Johns, 2015-11-10 How do social workers in the UK legal context act ethically What do we understand by ethics and how does social work law relate to it Social work practice in all countries incorporates a clear unstinting commitment to social justice but what is social justice Using an applied practice based and refreshingly real approach this text bridges the gap between law and ethics Each chapter opens with a case study which considers ethical dilemmas in real life practice Chapters have been designed to help students strengthen their critical reflection skills encouraging consideration of the legal and ethical dimensions of social work generally and in personal practice Topics such as care proceedings adoption community care youth justice mental capacity and accountability

explore how understanding and application are equally important

**Making Good Decisions** Michael

Preston-Shoot, 2019-05-14 What does the law require of social workers when deciding how to intervene to protect children and adults at risk What social work standards should guide decisions about whether when and how to invoke statutory powers and duties in practice Making Good Decisions provides an accessible and practical guide to the legal rules and principles that should guide everyday social work practice It sets out the key elements of administrative law equality and human rights legislation which shape how social workers practise and illustrates how knowledge and use of legal principles can support core social work goals including empowerment equality and social justice An invaluable reference point for all students and practitioners this book will support and empower social workers to feel more confident in making and challenging decisions more credible when presenting assessments and plans and more creative when working with service users and carers The text is supported by a range of innovative features and boxed information to aid learning and stimulate reflection Key Case Analysis boxes summarise the details of particular legal cases and outline the implications for social work practice Practice Focus boxes apply legal principles and processes to practice through the use of social work scenarios On The Spot Questions reinforce understanding and encourage critical reflection

*Child Law for Social Work* Jane

Williams, 2008-05-18 An invaluable resource for all social workers in practice with children and families this book examines key issues such as child protection family support care planning adoption and case preparation for court With illustrative case studies throughout the text is divided into two sections Part 1 explores the legal context of social work practice with children examining how international human rights standards are absorbed within domestic law Part 2 explores the application of the law policies and systems to individual case work illustrating rights based thinking in practice Accessible to those without a background in law the book highlights links between social work standards and legal values and rules With promotion of the rights of children and families a measure of professional competence and legal obligation the book helps readers satisfy social work standards and use their knowledge of the law to improve their practice The book is vital reading for all levels of social work student including those undertaking the post qualifying award in child care as well as being an indispensable resource for practitioners working with children and families Jane Williams is a lecturer in law at the University of Swansea She specialises in social work law and children's rights Other publications include Children and Citizenship SAGE 2007 co edited with Antonella Invernizzi

*Essential Law for Social Workers* Robert G. Madden, 2003 This book explores legal concepts legal reasoning and legal processes illustrated with case vignettes from social work practice in order to provide social work practitioners and students with practical and accessible legal knowledge It introduces readers to scholarship about the law and to conceptual knowledge that can be applied to any interaction with the legal system The volume features a discussion of recent reform movements including Alternative Dispute Resolution and an appendix of sources for legal information and research on the law

**Essential Law for Social Work Practice in Canada** Cheryl

Regehr, Karima Kanani, 2006 Essential Law for Social Work Practice in Canada addresses the need for an up to date hands on legal information guide that social workers can use as they interact with the Canadian federal and provincial legal system It includes a helpful overview of Canadian law and the implications for social workers and a description of the structure of the court system It addresses topics of current and growing importance such as citizenship and refugees human rights family laws child protection health care issues including mental illness and youth criminal justice Other important topics covered include ethics federal and provincial privacy laws and the implications for record keeping and preparing to appear in court A clear writing style is enhanced by a lack of legal jargon and clear definitions where legal terminology is needed **Law in**

**Social Work Practice** Andrea Saltzman, Kathleen Proch, 1990-03 **Social Work Practice in the Criminal Justice System** George Patterson, 2019-12-06 Social Work Practice in the Criminal Justice System presents an overview of the criminal justice system for social workers exploring the networks and institutions which comprise it Integrating social work ethics and a commitment to social justice this textbook explores social work practice roles to address social problems within the criminal justice system and promotes the development of knowledge skills and critical reflection in this increasingly important area of practice In addition to covering the four key areas for social work practice law enforcement courts corrections and legislation it covers police social work and forensic social work This second edition has been updated to include The opioid crisis and opioid courts Separate chapters describing special populations and contemporary issues in the criminal justice system Expanded criminal justice perspectives and theoretical frameworks Examining the challenges and opportunities of social work practice in the criminal justice system this is the ideal text for social work instructors students and practitioners working with or within the criminal justice system Each chapter includes a summary of social work practice implications key terms and suggestions for further reading **The Law and Social Work** Lesley-Anne Long, Jeremy

Roche, Debbie Stringer, 2017-09-16 This is an essential text for all those undertaking social work training Updated to reflect recent changes in legislation and practice in working with children and families domestic violence human rights and social services the second edition contains new chapters to provide comprehensive coverage of the key themes of social work law

Law and Social Work Practice Raymond Albert, MSW, JD, 2000-02-16 This completely rewritten and updated new edition of a practical text continues to provide a firm introduction to law and legal processes and their relation to social work practice Using Clinton s welfare reform act of 1996 Albert provides a conceptual framework to illustrate how socio legal problems emerge in the welfare state and presents the skills base necessary for effective social work response A new section on socio legal issues highlights many fields where social worker lawyer partnerships can occur such as civil rights and advocacy the death penalty liability for neglect in nursing homes informed consent and medical treatment and much more Filled with techniques for reading and understanding judicial opinion legislative statutes and bills this new edition will appeal to all professors of law and social work courses as well as courses on the welfare state **Social Work Practice and the**

**Law** Lyn K. Slater, Kara R. Finck, Marcia Hopkins, 2025-09-06 This is the first book to give social workers the tools to understand their clients legal needs and rights and to address them collaboratively and effectively The authors ground their text in a comprehensive grasp of the legal system and the inequities of race class and gender that shape clients experiences Social Work Practice and the Law is a powerful call for social workers to be passionate and skillful advocates for their clients Essential reading for social workers and lawyers alike who serve low income people entangled in systems that so often fail them Dorothy Roberts JD George A Weiss University Professor of Law and Sociology and the Raymond Pace and Sadie Tanner Mossell Alexander Professor of Civil Rights at the University of Pennsylvania Carey Law School The second edition is a concise guide to collaboration between social workers and attorneys to promote client advocacy and justice This textbook explores how social workers and lawyers can work together effectively by examining the history principles and best practices at the intersection of social work and the law It uses social science research and real case examples to help social workers identify legal issues and work effectively with attorneys to support clients With tools for interviews testimony preparation and interdisciplinary research the second edition is especially useful for social work students preparing for practice in legal settings What s New Provides research and legal developments that include forensic social work problem solving courts and legal reform Contains updated case examples that illustrate key concepts in practice Includes tools for reflection and application Offers expanded opportunities for students to connect theory with real world practice Key Features Explores legal systems and best practices for interdisciplinary collaboration between social workers and lawyers Builds skills in legal issue identification client advocacy and collaboration with attorneys Includes case studies interview models research memos and witness preparation tools Written by experienced social work and legal professionals with decades of joint practice Provides Instructor Resources that include Instructor s Manual and Instructor Chapter PowerPoint slides Instructor Test Bank and Transition Guide

**Clinical Social Work Practice and Regulation** Laura W. Groshong, 2009 This book describes the mental health treatment being provided by over 200 000 licensed clinical social workers in the United States and a summary of the fifty one licensure laws and regulations which govern licensed clinical social work practice The author seeks to standardize clinical social work licensure laws and regulations

**Law for Social Work Practice** Robert Johns, Andrew Sedgwick, 1999-11-11 In adopting an innovative case study approach to social work law and practice this text fills a genuine need for a book which applies legal knowledge to the practice predicaments social workers face in their daily work Focusing on an area of law not covered in depth in standard texts currently available it offers clear and accessible coverage of care in the community and protection of the most vulnerable in our society in a stimulating practice focused way

Mental Health & Mental Capacity Law for Social Workers Simon Godefroy, Many social work students find the study of mental health legislation a complex and at times challenging process Acts of law can seem irrelevant and far removed from everyday practice and the person centred approach that many social workers take This book introduces students to the

fundamental principles of mental health law and how they can be applied to everyday practice There are clear introductions to key Acts such as the Mental Capacity Act and The Mental Health Act as well as the relevant Codes of Practice These introductions applied to social work case examples from practice make this book a perfect key text for the social work law module Students will see that mental health law doesn't exist in a vacuum and instead develops and evolves through constant interaction with the fundamental principles of sound social work practice

**Social Work and Law** Sunny Harris  
Rome, 2013 Helping social workers understand how to operate within the complex legal environment Social Work and Law exposes students to the ways in which social work and law intersect Students will explore the judiciary's contributions to important social policy issues and the knowledge social workers need to effectively participate in the judicial process An introductory unit presents basic legal concepts describes the workings of the court system and shares strategies for avoiding malpractice The units that follow cover a variety of topics to give instructor's options for their course and allow students to study their interests These topics include issues related to children domestic violence older adults the death penalty health discrimination LGBT rights and the rights of students and immigrants Upon completing this book readers will be able to Understand how social workers operate within the complex legal environment Identify the role of law in shaping human experience and explore how competent social work practice can influence legal processes and outcomes Examine how law and social work intersect in relation to particular populations and fields of practice Assess the conformity of judicial decisions with social work values and ethics while understanding the underpinnings of judicial decisions and why they might differ from social work decision making Distinguish between case law and statutory law understand the role of each and recognize how their dynamic interaction contributes to the development of social policy Note MySearchLab does not come automatically packaged with this text To purchase MySearchLab please visit [www.mysearchlab.com](http://www.mysearchlab.com) or you can purchase a ValuePack of the text MySearchLab at no additional cost ValuePack ISBN 10 0205223508 ValuePack ISBN 13

9780205223503 *Legal Issues in Social Work Practice and Research* Sana Loue, 2018-05-17 This highly practical text surveys the myriad legal and ethical issues that social workers encounter both in daily practice and under special circumstances Its initial section presents concepts in law and ethics that unite practitioners researchers and academics in the field such as confidentiality informed consent and the interplay between social work and administrative and judicial systems A selection of representative cases illustrates legal aspects involved in providing services to families children elders and persons with disabilities Also included are chapters on advocacy in social work both in its potential to influence policy and on the global stage as part of the ongoing struggle for human rights and dignity Among the topics covered Confidentiality and the social worker client relationship Liability issues for social workers in the clinical context Legal issues arising in the context of social work research The social worker and forensic social work Social worker involvement in access to school and school services Social work in the context of health care Legal issues working with immigrants refugees and asylees The

interface between social work and human rights Legal Issues in Social Work Practice and Research is an interdisciplinary text aimed at social work mental health and legal professionals It enhances the power of social work as an integrative system to support clients rights and agency
