*Mesa Blanca: Whispering Altar* Florencio Guevara, 2022-02-08 Today's Hispanic generation does not always handle the Spanish language as its vernacular. Many a time major confusion occurs within Hispanic families because of the lack of bilingual skills. In the spiritist community this language barrier has all too often caused potential mediums to either continue being handicapped in their development or choose another path that may lead to spiritual pitfalls. Additionally, the English speaking community is fertile ground for new mediums from this cultural group. Many of the alleged translations of prayer books, particularly those of Allan Kardec, are a sham. You cannot translate them literally word for word. It must be translated in context of the cultural idea being presented. In this, whoever attempted the translations has slapped the public in the face with a horrid nonsensical excuse for print. At some time there will have to be a concerted effort to translate these works officially on paper. Up to now it is done word of mouth, which leaves a lot to be desired when attending a misa. Since words evolve in definition over the centuries as well as from one path in life to another, the word cave is a case in point. For mediums, the word originates as *boveda*. *BO* *vay dah*. The *boveda* consists of a grouping of glass goblets representing the spiritual quadrant of each medium. *Boveda* can also mean hidden treasure box. Indeed, this spiritual cave is a sanctuary from which our entities whisper their messages to us.

**Cult of John** Michael Bailot, 2025-05-15 Oprah Winfrey and New Age icons billed John of Deus John of God as the world's greatest psychic healer. He is now recognized as the worst serial rapist in Brazilian history. John claimed to be possessed by dead doctors performing surgeries with actual incisions requiring stitches. But backstage at his spiritual hospital, a secret world was hidden from the public where black magic masqueraded as healing and charity. Blood sacrifice posed as surgery. John's history journeys through Brazilian trance cults and clandestine torture camps during the military dictatorship. It zigzags into Indian genocide and a lifetime of illegal gold mining. Murder for hire, incest, and human trafficking are strewn along its path. His reputation as a healer eventually attracted tens of thousands of visitors a month to his center, including many politicians and celebrities. His promoters hailed him as a selfless saint who did this work for free, a poor farmer. That man was a multi-millionaire. In 2018, at the pinnacle of his fame, his house of cards collapsed. Nearly 800 women have accused him of rape committed inside his healing center during the past forty years under the guise of spiritual healing. This has resulted in 489 years of prison sentences. He is currently under house arrest in his mansion with his new wife who is thirty years his junior. Michael Bailot was a guide and spirit medium at John's center. His research unveils a psychopath posing as a saint. This is the first English exposé of John of God. Michael was featured in the Netflix series *John of God: Crimes of a Spiritual Healer*.
