and for more specialized sub-categories, which are defined according to several different criteria including formal structure (SONNET, PICARESQUE NOVEL), length (NOVELLA, EPIGRAM), intention (SATIRE), effect (COMEDY), origin (FOLKTALE), and subject matter (PASTORAL, SCIENCE FICTION).

While some genres, such as the pastoral ELEGY or the MELODRAMA, have numerous conventions governing subject, style, and form, others—like the NOVEL—have no agreed rules, although they may include several more limited SUBGENRES.

Milton in the Arab-Muslim World Islam Issa, 2016-10-14 The first full length study of the reception of John Milton's 1608-74 writings in the Arab Muslim world this book examines the responses of Arab Muslim readers to Milton's works and in particular to his epic poem Paradise Lost It contributes to knowledge of the history development and ways in which early modern writings are read and understood by Muslims By mapping the literary and more broadly cultural consequences of the censure translation and abridgement of Milton's works in the Arab Muslim world this book analyses the diverse ways in which Arab Muslims read and understand a range of literary and religious aspects of Milton's writing in light of cultural theological socio political linguistic and translational issues After providing an overview of the presence of Milton and his works in the Arab world each chapter sheds light on how cultural and translational issues shape the ways in which Arab Muslim readers perceive and understand the characters and motifs of Paradise Lost Chapters outline the ways in which the figures are currently understood in Milton scholarship before exploring how they fit into the narrative drama and theology of the poem and their position in Islamic creed and Arab Muslim culture Concurrently each chapter examines the poem's subject matter in detail placing particular emphasis on matters of linguistic theological and cultural translation and accommodation Chapter conclusions not only summarise the patterns and potentialities of reception but point towards the practical functions of Arab Muslim responses to Milton's writing and their contribution to the formation of social ideas

Words on Words David Crystal, Hilary Crystal, 2000-10-15 From Homer winged words to Robert Burns Beware a tongue that's smoothly hung to Rudyard Kipling Words are of course the most powerful drug used by mankind writers from all over the world have put pen to paper on the inexhaustible topic of language Yet surprisingly their

writings on the subject have never been gathered in a single volume In Words on Words David and Hilary Crystal have collected nearly 5 000 quotations about language and all its intriguing aspects speaking reading writing translation verbosity usage slang and more As the stock in trade of so many professions orators media personalities writers and countless others language s appeal as a subject is extraordinarily relevant and wide ranging The quotations are grouped thematically under 65 different headings from The Nature of Language through the Language of Politics to Quoting and Misquoting This arrangement enables the reader to explore a topic through a variety of lenses ancient and modern domestic and foreign scientific and casual ironic and playful Three thorough indexes to authors sources and key words provide different entry points into the collection A valuable resource for professional writers and scholars Words on Words is for anyone who loves language and all things linguistic **The British National Bibliography Cumulated Subject Catalogue** ,1970

Nigerian Hip-Hop Tosin Gbogi,2025-12-16 Nigerian or Naija hip hop has existed for close to 45 years and throughout its rich history has been influenced by not only imperialist media flows but also enduring discourses of African anti colonialism and pan Africanism and the long cultural traffic between Africa and the African diaspora In Nigerian Hip Hop Tosin Gbogi draws upon close readings of lyrics and other media and oral interviews with more than fifty artists to engage fully with the culture on its own terms examining questions lying at the intersection of rap poetics race knowledge and popular culture Troubling the conventional paradigm in which hip hop in Nigeria stands squarely for imperialist machinery he directs attention to the culture s provocative meditations on the afterlives of slavery and colonialism Gbogi tracks these meditations across a wide range of sources including lyrics music videos cover arts liner notes photographs social media archival materials and oral interviews Placing these sources in conversation with one another he examines them closely for what they reveal about the contemporary trajectories of African popular culture and youth resistance The first comprehensive and systematic study of Nigerian hip hop one of the world s oldest and most vibrant of such scenes this book attends to the literary forms the density of ideas historical encounters ideological struggles and the lively internal debates that have animated the culture for more than four decades In highlighting these Gbogi engages with a broad array of topics and themes including those having to do with race ethnicity class gender language media and popular culture youth cultures and poetry **Irony in Action** James Fernandez,Mary Taylor Huber,2001-06-20 Irony today extends beyond its classification as a figure of speech and is increasingly recognized as one of the major modes of human experience This idea of irony as an integral force in social life is at the center of this provocative book The result of a meeting where anthropologists were invited to explore the politics of irony and the moral responsibilities that accompany its recognition this book is one of the first to lend an anthropological perspective to this contemporary phenomenon The first group of essays explores the limits to irony s liberating qualities from the constrained use of irony in congressional hearings to its reactive presence amid widening disparities of wealth despite decades of world development The second section presents irony s more positive dimensions

through an array of examples such as the use of irony by Chinese writers and Irish humorists Framed by the editors
 theoretical introduction to the issues posed by irony and responses to the essays by two literary scholars Irony in Action is a
