*Setting the Spiritual Clock* Paul Louis Metzger, 2020-11-15 Various Christian traditions mark their calendars to reflect the biblical and ecclesial narrative and enhance public worship Such efforts safeguard against secularization s encroachment in the church s life *Setting the Spiritual Clock* serves as a guide and traveling companion for the liturgical year which circles the glorious Son as he breaks through the secular eclipse

**Justice at the Heart of Liturgy** Bryan Cones, 2025-08-01 The connection between liturgy and justice has long been assumed Faithful celebration of Eucharist would lead to just sharing of the fruit of the earth and the work of human hands Baptizing persons of every people and nation would yield societies in which each person treats another as a treasured image of God Regular faithful engagement with scripture would shape followers of Jesus into living words within the Word Yet centuries of Christian practice and decades of reflection on the connection between liturgy and justice continue to produce broken human relationships shaped by colonisation disparities based on colour and culture and nature broken by a climate crisis worked by human hands To Nevertheless essays in this collection seek to engage the unresolved tension between the world in which humanity lives and the one proposed in Christian common prayer Gerard Moore asks if the law of prayer that guides assemblies is tainted by an imperial shape that impairs its witness Anita Monro laments a lack of honesty in so many Christian gatherings where confession and lament are absent not least when assemblies gather on stolen land Stephen Burns responds to their prompts by proposing patterns that might steer common prayer toward more authentic kingdom scenes that signal God s dominion Annie Brophy applies such wisdom to her own Uniting Church in Australia asking whether its resources for prayer measure up to that church s stated commitment to justice in the matter of gender and reconciliation with Australia s First Peoples Jason McFarland and Angela McCarthy report on ecumenical efforts underway to right the relationship between human bodies at prayer and the continuous praise of the rest of creation Might an ecumenical Feast of Creation be a step in that direction Like so many questions posed by contributors to this volume the path to joining liturgy and justice walking hand in hand remains unclear

*Preaching on Social Suffering* Jeremy Kangsan Kim, 2023-03-01 In this book Jeremy Kim criticizes current Korean and Asian American homiletical strategies for their lack of a theological point of view on social suffering He argues that preachers must develop an alternative theological homiletical viewpoint on social suffering one that has pastoral and prophetic approaches These two approaches offer people a refuge and a voice not only in the church community but also in the larger social community Thus the author suggests that preachers adopt the biblical lament highlighting its dual tasks of compassion the pastoral dimension and resistance the prophetic dimension The author who is a non Western Asian American preacher also incorporates East Asian philosophical and hermeneutical research on ren a positive element of Confucianism into his argument He applies this core concept of Confucianism to the preacher s homiletical strategy toward social suffering Thus the author proposes that Korean preachers should recover ren which contains sincere compassion for others as well as a voice of resistance that reveals unjust social structures as the cause of social suffering and expresses both within Uri we the community
