## Last Day

It was the last day of summer and Jake had big plans! First, his mom was making pancakes for breakfast, and she said he could pour his own syrup today. He didn't like it when he didn't get to pour it himself because he never felt like he got quite enough. In Jake's opinion, every pancake bite needed to have syrup.

After breakfast, he was going to finish building his pirate ship. He was building it out of Legos and he was extremely proud of himself because he wasn't looking at a box. The entire design was from his own brain! Jake's grandpa was always saying how creative he was, and that he was going to grow up to be something amazing. Jake was pretty sure his grandpa was right.

The rest of the day was going to be spent at his best friend's birthday party. Jake's best friend was Peter. Peter was seven years old and celebrating with a Laser Tag party. Jake couldn't wait to go!

It was definitely going to be the perfect way to spend his last day of summer. Jake got out of bed and headed to the kitchen. There was no time to waste!
