Struggling for Power The novel *Lord of the Flies* can be a violent like story. All throughout the novel, William Golding does a good job of showing how Ralph and Jack quarrel between each other whether who should take charge and who will be the leader to keep things in order. William Golding uses the struggle for power to show the different sides of good and evil throughout the novel *Lord of the Flies*. The theme **Struggle for Power** plays a huge part between Ralph and Jack which causes them and the boys to act in savagely ways.

The constant battle for power leads to a debacle in their group on the island. Struggle for power in the beginning of *Lord of the Flies* is mainly between Jack and Ralph. Golding demonstrates this when Jack says "I ought to be chief because, I'm chapter chorister and head boy." (14). This shows that Jack is determined to be the leader no matter what everyone else says and therefore showing his character as being very controlling. As a result, the boys vote Ralph to be chief which makes him lead in a more reliable way. Now Ralph portrays a good example of a true leader. He demonstrates his brave and good leadership skills when he says "I'm chief. I'll go. Don't argue...You. Hide here. Wait for me" (114). This quote gives us a good example of the willingness Ralph is to protect his tribe and it also shows us the good leadership skills Ralph has. Jack is very determined to steal the leadership from Ralph and continues to do so throughout the novel. A specific event showing this is when Jack says "He's not a hunter. He'd never got us meat. He isn't perfect and we don't know anything about him.

He just gives orders and expects people to obey him for nothing" (140). This quote gives a good indication of how Ralph and Jack go back and forth. Jack and Ralph both want different things, which cause them to disagree almost on everything. Now Jack's cravings for power leads to misfortunes in their group when Jack says "Who thinks Ralph oughtn't to be chief, hands up, whoever wants Ralph not to be chief?" (140). This quote shows us that Jack is always in the constant need of power and how every chance he gets he is always trying to steal the power from Ralph. He gives us a good example of how demanding his character is and how he will not stop till he gets what he wants as chief. Jack gives a good example of using his demanding sense of power to try to gain control by continuing his battle with Ralph to gain power when Jack says "Listen all of you. Me and my hunters are living along the beach at the flat rock. We hunt and feast and have fun. If you want to join come and see us.

Perhaps we'll let you join. Perhaps not" (140). In this situation...
