Anecdotes

from *The Story of My Life* [Helen Keller](#)

An anecdote is a little story—a brief account of an interesting event or episode. In this section from *The Story of My Life*, Keller gives readers several anecdotes so that they can understand how her learning progressed and how she began to understand other people's emotions.

Like other writers, anecdotes have characters and use to make points. They may also include or imply a setting. They always serve a larger purpose, which is often to reveal characters or illustrate a theme.
