THE GIRL BLUE KAREN CARPENTER

"This compassionate book gives a tortured waif the third dimension she deserved."

—New York Times Book Review

RANDY L. SCHMIDT Foreward by Dionne Warwick

<u>Little Girl Blue The Life Of Karen Carpenter</u>

Leonard Maltin

Little Girl Blue The Life Of Karen Carpenter:

Little Girl Blue: The Life of Karen Carpenter Randy Schmidt, 2012-03-07 Karen Carpenter was the instantly recognisable lead singer of the Carpenters The top selling American musical act of the 1970s they delivered the love songs that defined a generation Karen's velvety voice on a string of 16 consecutive Top 20 hits from 1970 to 1976 including Close to You We ve Only Just Begun Rainy Days and Mondays Superstar and Hurting Each Other propelled the duo to worldwide stardom and record sales of over 100 million Karen's musical career was short only 13 years During that time the Carpenters released 10 studio albums toured more than 200 days a year taped five television specials and won three Grammys and an American Music Award But that sonly part of Karen's story As the world received news of her death at 32 years of age in 1983 she became the proverbial poster child for anorexia nervosa Little Girl Blue is an intimate profile of Karen Carpenter a girl from a modest Connecticut upbringing who became a Superstar Based on exclusive interviews with nearly 100 friends and associates including record producers studio musicians songwriters television directors photographers radio personalities classmates childhood friends neighbours personal assistants romantic interests hairdressers and housekeepers thorough and affectionate biography of a singer who s been constantly undervalued by the music industry MOJO Schmidt cannot be faulted carefully factual sensitively pitched book The Word The first truly convincing account of her nightmarish story The Guardian

Lead Sister: The Story of Karen Carpenter Lucy O'Brien, 2023-03-02 When **Little Girl Blue** FRW Schmidt,2011 the Carpenters first toured Japan a journalist mistakenly referred to Karen as the lead sister of the band This designation stuck and Karen liked it so much that she had a T shirt custom made with the slogan which she wore while drumming on the band s 1976 world tour The term also sums up the approach of this biography a celebratory re evaluation of a pioneering woman As one of the biggest selling acts of the 1970s sibling duo Richard and Karen Carpenter created lush soundscapes of melodic pop producing global hits like We ve Only Just Begun Top of the World and Close to You However though Karen is rightly recognised as one of the greatest singers in popular music the tragedy of her early death in 1983 at the age of just thirty two often overshadows all that she achieved She has long been portrayed as a victim controlled by her family and exploited by the music industry This book now seeks to reframe her life and legacy Through fresh interviews with friends musicians and co workers bestselling author Lucy O Brien's fascinating profile explores Karen's contributions in the studio as a singer drummer arranger and producer as well as tracing the roots of the Carpenters sound and of Karen's distinctive vocals Forty years after her death it also honours the lead sister's achievements in the face of her struggle with anorexia as viewed through the lens of new perspectives on eating disorders and mental health Yet despite the chronic nature of her illness Karen Carpenter was above all a creative dedicated and assured artist whose music delivers an emotional resonance that has transcended generations and that is how she should be remembered Summary of Randy L. Schmidt's Little Girl Blue Milkyway Media, 2024-01-25 Get the Summary of Randy L Schmidt's Little Girl Blue in 20 minutes Please note This is a

summary not the original book Little Girl Blue by Randy L Schmidt chronicles the life of Karen Carpenter detailing her family background rise to fame with her brother Richard as the musical duo The Carpenters and her personal struggles The book delves into the Carpenter family s early years with parents Harold and Agnes s frugal lifestyle and the children s burgeoning musical talents The family s move to California catalyzes Richard and Karen s musical careers leading to the formation of the Richard Carpenter Trio and later the duo Carpenters who sign with A M Records and achieve success with hits like Close to You and We ve Only Just Begun The Encyclopedia of Dead Rock Stars Jeremy Simmonds, 2012 First published by the Penguin Group London as Number one in Heaven the heroes who died for rock n roll Voices of Mental Health Martin Halliwell, 2017-10-02 This dynamic and richly layered account of mental health in the late twentieth century interweaves three important stories the rising political prominence of mental health in the United States since 1970 the shifting medical diagnostics of mental health at a time when health activists advocacy groups and public figures were all speaking out about the needs and rights of patients and the concept of voice in literature film memoir journalism and medical case study that connects the health experiences of individuals to shared stories Together these three dimensions bring into conversation a diverse cast of late century writers filmmakers actors physicians politicians policy makers and social critics In doing so Martin Halliwell's Voices of Mental Health breaks new ground in deepening our understanding of the place politics and trajectory of mental health from the moon landing to the millennium Eating Disorders Justine J. Reel, 2018-05-10 This encyclopedia offers a variety of resources for readers interested in learning more about eating disorders including hundreds of reference entries interviews scholarly debates and case studies While many people may reflexively imagine an anorexic or bulimia teenage girl upon being asked to think about eating disorders eating disorders are a form of mental illness that can take many forms and affect individuals of all genders ages and ethnic backgrounds In fact an estimated eight million people in the United States struggle with an eating disorder making eating disorders one of the most prevalent forms of mental illness in America This two volume encyclopedia comprehensively examines eating disorders as the forms they can take their causes and potential complications and how they can best be treated and prevented It also examines the influence had by cultural factors such as the fashion industry television and movies and social media More than just a simple A to Z reference Eating Disorders Understanding Causes Controversies and Treatment also includes valuable features such as Q A interviews with those affected by and working to combat eating disorders case studies scholarly essays that voice opinions in key debates and a directory of resources for individuals seeking help Digital Talking Books Plus, 2013 Why Karen Carpenter Matters Karen Tongson, 2019-06-01 In the 60s and 70s America's music scene was marked by raucous excess reflected in the tragic overdoses of young superstars such as Jimi Hendrix and Janis Joplin At the same time the uplifting harmonies and sunny lyrics that propelled Karen Carpenter and her brother Richard to international fame belied a different sort of tragedy the underconsumption that led to Karen s death at age thirty two from the effects of an eating disorder In

Why Karen Carpenter Matters Karen Tongson whose Filipino musician parents named her after the pop icon interweaves the story of the singer s rise to fame with her own trans Pacific journey between the Philippines where imitations of American pop styles flourished and Karen Carpenter s home ground of Southern California Tongson reveals why the Carpenters chart topping seemingly whitewashed musical fantasies of normal love can now have profound significance for her as well as for other people of color LGBT communities and anyone outside the mainstream culture usually associated with Karen Carpenter s legacy This hybrid of memoir and biography excavates the destructive perfectionism at the root of the Carpenters sound while finding the beauty in the singer s all too brief life **The Publishers Weekly**, 2010 <u>Talking Book Topics</u>, 2013-11

New Books on Women, Gender and Feminism, 2013 New Books on Women and Feminism ,2013 Garland Randy Schmidt, 2017-11 I Judy Garland was born when I was twelve years old Discover how the little girl with the BIG voice transitioned from vaudeville to movie stardom and landed the role of a lifetime The world fell in love with her as Dorothy in The Wizard of Oz the 1939 M G M classic one of the most beloved films of all time She went on to become one of the greatest entertainers in show business history This is her story How many Calories should we eat? David Broward, About 150 years ago the engineers and physicists used the calorie to measure the amount of energy required to heat one kilogram of water one degree Celsius Trying to determine the energy consumption of the human body scientists burned in the calorimeter various substances including food drinks and excrements and measured the difference in water temperature This is how we ended up with 9 Calories per gram for fat and 4 Calories per gram for protein and carbohydrates That s why water is the only substance that has Zero Calories and this is how the calorie found its niche in nutrition Yet have you ever wondered Why the Calorie is supposed to be capitalized when referring to the energetic value of foods and drinks Why there are 2 000 Calories per day used for general nutrition advice and not 1 500 2 400 2 700 or any other value What the claims found on the food labels actually mean Which carbs are good which ones are bad and why we witness a global epidemics of overweight obesity and diabetes What's the difference between saturated and unsaturated mono poly trans and interesterified fat Is there such a thing as a perfect diet Why in the countries that have adopted the Metric System the energy is expressed in kilojoules and not in Calories How much energy whether expressed in kilocalories or kilojoules a person needs a day This book proposes to find an answer to the above questions and many others by connecting the information from various fields of science including Physics Chemistry Biology and Thermodynamics Becoming Judy Garland Randy Schmidt, 2017-10-15 THE ROAD TO OZ I Judy Garland was born when I was twelve years old Discover how the Little Girl with the Big Voice transitioned from vaudeville to movie stardom when she landed the role of a lifetime The world fell in love with her as Dorothy in The Wizard of Oz the 1939 M G M classic one of the most beloved films of all time She went on to become one of the greatest entertainers in show business history This is her story Leonard Maltin's Movie and Video Guide ,2001 Leonard Maltin's Movie and Video Guide 1994 Leonard Maltin, 1993-10 In addition to the more than 19 000 movie entries
