Victor Abimbola Amole, 2015-03-16 Words of the Fathers offers a systematic arrangement of the themes that run through the Office of Readings These are writings and wise instructions of Church Fathers and Saints products of years of spiritual maturity and invaluable ecclesiastic teachings and exhortations Rich as these readings are however there is a lack of a reference or guide into their various themes in order to make for a more fruitful harvest of the several gems that they contain Though they are organized into days and seasons in order to be used for prayers and meditations the reader or user of the Office of Readings has no ready guide into a thematic organization of these deep reflections beyond the daily prayers Words of the Fathers makes up for this lack providing a thematic reference tool for using these readings and amplifying them into a single thread of diverse themes A useful reference work for personal mediation talks retreats catechetical instructions etc **Bible Missals and the Medieval Dominican Liturgy** Innocent Smith, 2023-11-06 Bible Missals are manuscripts that integrate liturgical prayers for the Mass with the scriptural texts of the Latin Vulgate Long overlooked by scholars Bible Missals offer important evidence for the development of the medieval liturgy and the liturgical use of scripture by medieval Christians This monograph is the first comprehensive analysis of the codicology and contents of Bible Missals Mostly produced in the first half of the 13th century by professional book makers in centers like Paris and Oxford these hybrid manuscripts were customized for secular monastic and mendicant patrons This monograph focuses on Dominican Bible Missals the largest group within the repertoire providing detailed codicological descriptions of each manuscript and analyzing their texts for the Order of Mass and selected liturgical formularies including

prayers for the feast of St Dominic For medieval Christians the words and events of scripture were continually called to mind and reenacted in the sacramental rites of the Mass Bible Missals provide important material evidence for this interplay between word and sacrament *Preach It!* Carol Tomlin, 2019-02-28 Studies of preaching and preaching style have up to this point focused almost exclusively on a western eurocentric understanding of good preaching Preach It encourages students both vocational and scholarly to look beyond these approaches and to learn from traditions with which they are less familiar The distinctive style and techniques that African Caribbean Pentecostal preachers have inherited has been shaped by historical political and socio economic factors impacting on black Caribbean people including clergy Using a variety of socio linguistic and theological approaches Preach It reflects on these techniques and outlines how preachers across church traditions might learn from them and use them in their own contexts **Yearbook of International Organizations**
