The Poems of Lady Mary Wroth Josephine A. Roberts, 1992-09-01 Although her poems are little known today Lady Mary Wroth was one of the most accomplished women writers of the English Renaissance Her poems were circulated among many of the leading authors of her time including Ben Jonson who praised her work for its profound understanding of the nature of romantic love Lady Mary's sonnet cycle Pamphilia to Amphilanthus was the first English sequence to be written from a woman's perspective The Countesse of Montgomery's Urania her romance interspersed with poetry was one of the first works of prose fiction to be composed by an Englishwoman In this complete edition of Lady Mary Wroth's verse Josephine Roberts has brought together and annotated all 192 of the surviving poems many of which have never been published before As the eldest daughter of Sir Robert Sidney and Lady Barbara Gamage Lady Mary took great pride in the Sidney literary heritage During the years of her marriage she assumed the roles of both poet and patron an example set for her by her father and her more famous uncle Sir Philip Sidney She further followed the precedent of her uncle by choosing for her own work the artistic forms that he had favored the sonnet sequence pastoral romance and pastoral drama As a young woman Lady Mary belonged to Queen Anne's intimate circle but in the years following her husband's death she suffered a precipitous decline in social status She violated the social taboos of her age by becoming the mistress of her first cousin William Herbert earl of Pembroke and bearing him two illegitimate children Her artistic efforts aroused equal controversy when after the publication of her prose romance the Urania several prominent noblemen attacked her for portraying their private lives under the guise of fiction Despite these obstacles and the added burden of the unpaid debts that were the legacy of her disappointing marriage Lady Mary maintained an independent spirit and trusted in an ability to make her own decisions In her prose works she lashed out at the hypocrisies of life at court in her poetry she wrote of more personal concerns the treacherousness of emotion the eternal elusiveness of love Rising above well worn Elizabethan conceits the best of Lady Mary's poems reveal an ambivalence toward romance and a wise understanding of the vicissitudes of human emotion
