Serious sport catfishing has gained tremendous popularity in recent years but a dearth of serious catfishing information inhibits the complete angler. Jeff Samsel of Clarkesville, Georgia, fills the gap with *Catfishing in the South*, a comprehensive guide to finding and catching catfish in the southeastern United States. No other catfishing book focuses on southern rivers and reservoirs where this type of fishing is most popular. Beyond looking at species, habitats, gear, baits, and strategies from the perspective of the southern catfisher, *Catfishing in the South* includes detailed looks at several of the South's premier destinations for trophy catfish. Samsel also presents information on catching smaller cats and on fishing from banks. Relying on his own experience and on the expertise of individual veteran catfishers, some of whose faces show up in the twenty-nine photographs that illustrate the book, Samsel provides readers with all the tools they need for finding and catching all kinds of catfish from southern waters. The author, Jeff Samsel, is a freelance magazine writer, photographer, and editor. He is author of *Georgia: A Guide to Backcountry Travel and Adventure*. He contributed to *Catfishing Strategies* and has published articles and photographs in more than one hundred publications, including *Bassmaster Catfish Guide*, *North American Fisherman*, and *Southern Sporting Journal*.
