Life Love And The Archers Recollections Reviews And Other Prose:

Life, Love and The Archers Wendy Cope, 2014-11-06 Wendy Cope has long been one of the nation's best loved poets with her sharp eye for human foibles and wry sense of humour. For the first time *Life Love and the Archers* brings together the best of her prose recollections, reviews and essays from the light-hearted to the serious, taken from a lifetime of published and unpublished work and all with Cope's lightness of touch. Here readers can meet the Enid Blyton-obsessed schoolgirl, the ambivalent daughter, the amused teacher, the sensitive journalist, the cynical romantic and the sardonic television critic, as well as touching on books and writers who have informed a lifetime of reading and writing. Wendy Cope is a master of the one-liner as well as the couplet, the telling review as well as the sonnet, and *Life Love and the Archers* gives us a wonderfully entertaining and unforgettable portrait of one of England's favourite writers. [Recollections, Reviews and Other Prose](#) Wendy Cope, 2014-11-06 **The Artist in Time** Chris Fite-Wassilak, 2021-10-28 An inspiring and intimate look at the work of a generation of British artists across all disciplines. *The Artist in Time* brings together twenty creatives from across the UK with photographs and interviews that disclose their daily working habits and motivations. All born before 1950, this is a collective portrait of a generation who have shaped our artistic landscape. They provide a range of different answers to the question: what makes an artist? and a set of insights into what makes up a creative life. Giving you access to the studio and working spaces of a diverse group of painters, poets, choreographers, filmmakers, illustrators, musicians, photographers, sculptors, writers and creators, *The Artist in Time* is a handbook for creativity and inspiration, made up of artists from all backgrounds who have all in their own way shaped and continue to shape the creative landscape of the United Kingdom. **A Critical Dictionary of English Literature and British and American Authors**
