Life Love Life And Start Living Now:

Life Karen Shields, 2014-12-02 Love Life and Start Living Now Learn how to live your life and enjoy your life to the fullest Life Love Life and Start Living Now takes you on a journey towards living life to the fullest It primarily tells you to start living now With an emphasis on the ephemerality of life it makes you realize with an impeccable certainty that now is the right time to start acting towards change Feeling down about life lately This book will help you turn things around in eight simple steps The steps written in this book will not require you to do big adjustments in your life all you are required of is to have an open mind Without using an alienating philosophy and a bunch of highfalutin words Life Love Life and Start Living Now reaches out to you in the same way that a friend would It is highly relatable with its easy flow and friendly tone In your journey towards living a full life this book will be a friend you would be walking hand in hand with So step in on a new day live life as you should and find out how by reading this book Some people think they need money to be happy but all you need is this book to tell you how to attain contentment Life's wonders are all around you all you need is the right pair of eyes Life Love Life and Start Living Now provides that pair of eyes With eight magical chapters that would change your life this book will be a friend giving you simple pieces of advice This book is an enjoyable journey to living life So read on and live on *Fit 2 Love*, *Love's Touch* Anit Arca, 2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author's personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of

the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude **The Saint, the Surfer, and the CEO** Robin
