Sport Diver ,2008 **Popular Photography** ,2008-04 **Theatre & Stage Photography** William Kenyon,2017-12-04

Documenting theatrical and stage events under the often dramatic lighting designed for the production provides a number of specific photographic challenges and is unlike most every other branch of photography Theatre Stage Photography provides an overview of basic photography as it applies to available light situations and will move both basic and experienced photographers through the process of accurately capturing both the production process and the resultant performance The book is accompanied by additional web content found at stagephoto org including tutorials author blog a photo gallery and more resources *Popular Photography* ,2008 **The Compleat Olympus Stylus 1s** Steven Frankel,2015-08-18 The

Olympus Stylus 1s and last year's model the Olympus Stylus 1 are the only cameras on the market today to combine the following features 14 oz weight including the lens 28 300 mm f2.8 constant aperture lens Huge bright EVF eye level viewfinder Touch sensitive 3 LCD monitor Split second focusing and exposure control Some might say this combination of features approaches the ideal travel and street shooting camera Steve bought the Stylus 1s as a back up for a 6 000 interchangeable lens system A few days later he left on a cruise that included three ports in Japan one in Siberia and five in Alaska He was looking for a very light relatively inexpensive camera with a fast lens and good telephoto capabilities that he could use if anything went wrong with his more expensive camera However after shooting more than 300 photos the first few days in Tokyo he found myself using the Stylus 1s nearly all of the time It was lightweight much more versatile and a pleasure to use However he was disappointed with the Olympus Stylus 1s Instruction Manual He found himself losing valuable vacation time searching through the manual It didn't have a detailed table of contents and it usually it didn't suggest WHICH setting should be selected under different circumstances These issues led to Steve writing this book You will find yourself having to refer to the manual much less often More importantly you will always be told WHY you should select particular settings These suggestions are based Steve's taking more than 1 600 photos with the Stylus 1s the best of which are included in this book In fact all the photos in the book with the exception of the cover photos and the photos of the camera were taken with the Stylus 1s Really Steve says this book is all you need to make shooting with the Stylus 1s or Stylus 1 one of the most satisfying photo experiences you have ever had **Olympus OM Camera Manual** Lou Jacobs,1977

Olympus Stylus 1 Jacob Gleam,2015-02-13 This compact digital camera began shipping in December of 2013 Reviews on the new camera have raved the amazing horsepower despite the miniature size Since its introduction to the market the Stylus 1 has become known for its ability to meet the needs of the avid photographer as well as the more average individual Among its renowned features is the 10.7x zoom lens a 1/1.7 sensor built in EVF and touch screen LCD monitor with amazing tilting capabilities The Stylus 1 has also been commended for its professional look and ability to customize and personalize The range of features and specifications critics purport make it an ideal camera It is believed to be a blend of the strengths
