Mia San Bayern German Edition:

The Making of "Jew Clubs" Pavel Brunssen, 2025-09-02 Why do non Jewish football fans chant Yid Army or wave Super Jews banners especially in support of clubs that are not Jewish The Making of Jew Clubs explores how four major European football clubs FC Bayern Munich FK Austria Vienna Ajax Amsterdam and Tottenham Hotspur came to be seen as Jew Clubs even though they have never officially identified as Jewish In this transnational study Pavel Brunssen traces how both Jewish and non Jewish actors perform Jewishness antisemitism and philosemitism within European football cultures over the 20th and 21st centuries Drawing on a wide array of primary sources from fan chants and matchday rituals to media portrayals and club histories the book reveals how football stadiums have become unexpected stages for negotiating memory identity and historical trauma Offering a new approach to Holocaust memory sports history and Jewish studies The Making of Jew Clubs shows how football cultures reflect and reshape Europe s conflicted relationship with its Jewish past **Football, Fandom**

and Collective Memory Przemysław Nosal, Radosław Kossakowski, Wojciech Woźniak, 2024-06-18 This book examines the topic of identity and collective memory in football fandom Drawing on global research in history sociology and political science the book looks at how where and why football fans and supporters groups introduce particular role models into their self identity and performative narratives The book presents original cutting edge research that illustrates the complex multidimensional nature of the re formulation of collective memory and the elevation of role models It looks at the processes by which some supporters groups celebrate historical and contemporary figures including political leaders warriors revolutionaries or armed resistance groups that they believe embody patriotic regional or nationalist virtues as well as supporters groups who define their patriotism in opposition to these figures The book presents cases ranging from Ukrainian football ultras in the shadow of Russian aggression and Jewish role models in Germany s collective football memory to the symbology of Che Guevara and Diego Maradona in Brazilian and Argentinian football to hero formation and the myths of national identity in Australian football This is fascinating reading for anybody with an interest in the sociology culture or politics of sport or in fandom identity nationalism more broadly in sociology political science or history **The British**
