**Micronations** John Ryan, George Dunford, Simon Sellars, 2006 Bored of visiting the same old UN recognised countries Ready to explore somewhere unique and perhaps a little wacky Want to add some really rare stamps to your passport Then let this comprehensive guide to self proclaimed nations take you to a bunch of places you've never heard of Here are countries where the national anthem is the sound of a rock being dropped into water where the currency is pegged to the value of Pillsbury's cookie dough where the citizens vote in a poodle as president and where if you're lucky the king will put on a pot of tea when you stop by

Micronations Mohammad Bahareth, 2011-12 What is a Micro Nation A micro nation can actually be referred to as new country project or a model country The definition of a micro nation is thus rendered An entity that resembles a nation or a state but which for the most part exists only on paper on the Internet or in the mind of its creator Also referred to as Model countries and new country projects are entities that claim to be independent

nations or states but which are unrecognized by world governments or major international organizations Different reasons exist why micro nations are created some being extremely serious whereas others are as a result of a hobby There are however very genuine micro nations which are made of an entire community or tribe These small entities almost always exist as replicas of real nations as opposed to existing states We can therefore say that these are small nations with a small geographical area as well as populations The term micro nation can also be used synonymously with the term Fifth nation which also refers to social identity groups Compared to micronations are macronations which are significantly larger and enjoy some territorial recognition and these are referred to as Fourth world nations You will find many secessionist or self determination groups counted among macronations It is also very easy to confuse micronations with those tiny nations that are recognized legitimately These geographically small counties include countries such as Monaco Fiji and San Marino Micronations should not be confused with legitimately recognized but geographically tiny nations such as Fiji Monaco and San Marino for which the term microstate is more accurate and descriptive In this book you will read about Overview and introduction Categories of Micronations List of Small Microstates List of Physical Micronations Top Ten Out of the Ordinary Micronations The Most Famous Micronations The Newest Kids on the Block How You Can Start Your Own Micronation
