Ladies, Take Your M. A. N. Back LaShanna Alfred, 2014-11-22 This book is very dear to my heart because I had to live through some heart rending difficulties in order to learn the principles I m about to share with you I was raised without a mother and father in a drug infested environment Because of this throughout my life I fell in and out of complicated even unhealthy relationships to selling drugs myself and ultimately finding myself in jail When I tried to find meaning for all the pain and senseless heartache I endured I perhaps found my greatest and most frightening challenge yet But it was through this that I finally came to know God Only then at the feet of the Master was I able to learn the meaning of my trials and tribulations as well as the tools I needed to endure future hardship and inevitably write this book I was inspired to write this book after encouraging a young lady who felt betrayed by a man that was engaged to me She could not believe that after putting up with this man s bullshit as she called it that he would be asking me to marry him after a couple of months After encouraging this young lady over the phone I began to pray for her and while I was praying the Lord placed this title in my heart The acronym M A N is to remind you of your M ature A ssertive N ature Once you get your M A N back you will recognize that you were born for greatness and you don t have to sit and take what life hands you You can relearn how to be mature assertive and how to appreciate your divine nature after reading this book
