Lady Mary Wortley Montague Her Life And Letters 1689 176:

Lady Mary Wortley Montague; Her Life and Letters, 1689-1762 Lewis Melville, Mary Wortley Montagu, 2025-08-31
Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Lady Mary Wortley Montagu Her Life and Letters (1689-1762) Lewis Melville, 2017-11-03 Lady Mary Wortley Montagu has her niche in the history of medicine as having introduced inoculation from the Near East into England but her principal fame is as a letter writer Of her gifts as a correspondent she was proud and with reason It was in all sincerity that in June 1726 she wrote to her sister Lady Mar The last pleasures that fell in my way was Madame S vign s letters very pretty they are but I assert without the least vanity that mine will be full as entertaining forty years hence I advise you therefore to put none of them to the use of waste paper And again later in the year she said half humorously to the same correspondent I writ to you some time ago a long letter which I perceive never came to your hands very provoking it was certainly a chef d oeuvre of a letter and worthy any of the S vign s or Grignan s crammed with news That Lady Mary s belief in herself was well founded no one has disputed Even Horace Walpole who detested her and made attacks on her whenever possible said that in most of her letters the wit and style are superior to any letters I have ever read but Madame de S vign s A very pleasant tribute from one who had a goodly conceit of himself as a letter writer *Lady Mary Wortley Montagu* ,1925 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries,1979 *Lady Mary Wortley Montague, Her Life and Letters (1689-1762)* Lewis Melville, Mary Wortley Lady Montagu, 2019-11-29 Delving into the vivid tapestry of 18th century life Lady Mary Wortley Montague Her Life and Letters 1689 1762 edited by Lewis Melville is a compelling anthology that captures the intellectual dynamism of its era The collection spans a rich diversity of literary styles from insightful essays and poignant letters to vivid biographical sketches all unified by an overarching exploration of Lady Mary Wortley Montagu s indelible impact on literary and cultural history The anthology transcends mere biography it encapsulates Lady Mary s roles as a fearless traveler astute social commentator and innovative medical advocate offering readers a panoramic view of her multifaceted life Contributors to this anthology include distinguished scholars whose expertise illuminates the extraordinary narrative of Lady Mary s life United by a common commitment to exploring her contributions to Enlightenment thought and female authorship these authors underscore her pioneering efforts as a writer who defied the conventions of her time The anthology aligns with literary movements that champion women s voices and reflect on the transformative power of literature in shaping societal norms thereby painting a multidimensional portrait of Lady Mary as both a product and a critic of her age This collection offers readers a rare opportunity to engage with a multitude of perspectives and styles within a single volume providing a holistic understanding of Lady Mary s influence Perfect for both enthusiasts of historical narratives and those seeking to expand their appreciation
