Lady Bird Johnson Michael L. Gillette, 2012-12-03 Over a span of eighteen years Lady Bird Johnson recorded forty seven oral history interviews with Michael Gillette and his colleagues These conversations just released in 2011 form the heart of Lady Bird Johnson An Oral History an intimate story of a shy young country girl s transformation into one of America s most effective and admired First Ladies Lady Bird Johnson s odyssey is one of personal and intellectual growth political and financial ambition and a shared life with Lyndon Baines Johnson one of the most complicated volatile and powerful presidents of the 20th century The former First Lady recounts how a cautious conservative young woman succumbed to an ultimatum to marry a man she had known for less than three months how she ran his congressional office during World War II and how she transformed a struggling Austin radio station into the foundation of a communications empire As a keen observer of the Washington scene during the eventful decades from the 1930s through the 1960s Lady Bird Johnson shares dramatic accounts of pivotal moments in American history We attend informal dinners at Sam Rayburn s apartment and opulent social events at grand mansions from an earlier age Her rich verbal portraits bring to life scores of personalities including First Ladies Edith Bolling Wilson Eleanor Roosevelt Bess Truman Mamie Eisenhower Jacqueline Kennedy and Pat Nixon An informal candid narrative by one of America s most admired First Ladies this volume reveals how instrumental Lady Bird Johnson s support and guidance were at each stage of her husband s political ascent and how she herself emerged as a

significant political force **Lady Bird Johnson** Lewis L. Gould, 2026-02-10 Unique among presidents wives Lady Bird Johnson was not only one of the leading environmentalists of the twentieth century she also redefined the institution of First Lady In this first book in an innovative new series Lewis Gould shows why Mrs Johnson ranks with Eleanor Roosevelt as a significant innovator of the First Lady role Building upon his much admired Lady Bird Johnson and the Environment Gould has refocused and revised his thinking to create a fresh informative and entertaining new portrait of LBJ's First Lady Using Lady Bird's White House papers and interviews with her and her close associates Gould captures both her spirit and considerable achievements during her tenure in the White House He shows how Lady Bird's efforts to advance the cause of beautifying highways and the city of Washington D C which included attending legislative strategy sessions and lobbying for the programs that she endorsed represented a new departure for a First Lady He also tells how she devised and developed the staff procedures and tactics that subsequent First Ladies have since employed in the public arena The book sheds light on the personal side of Mrs Johnson's activism as well telling how her appearances on behalf of environmental issues were often marred by antiwar protests and how she agonized with her husband over his decision not to run for reelection It also reveals details of her life after LBJ's death showing that the consistency with which she pursued her vision of the environment has added to her historical influence Today Lady Bird's efforts are commemorated at such sites as a grove in Redwoods National Park and a park by the Potomac River that both bear her name Equally important she herself participated in the policymaking process in a more direct way than any previous First Lady had dared All in all Lady Bird Johnson set a high standard for future First Ladies to follow while raising the environmental awareness of millions of Americans For those reasons especially her legacy will endure **Lady Bird Johnson and the Environment** Lewis L. Gould, 1988 Gould

American history U of Texas Austin has dusted off updated and thinned his 1988 Lady Bird Johnson and the Environment to kick off the new series on the wives of US presidents He draws on Johnson's White House papers and interviews with her and her close associates to argue that she was one of the most politically active First Ladies though her concern with the environment was overshadowed by protests against the Vietnam War Annotation copyrighted by Book News Inc Portland OR

Looking Back at LBJ Mitchell B. Lerner, 2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it's now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation's most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ's beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ's foreign policies including a positive

appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ's domestic policies that have been largely neglected women's rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure

Lady Bird Johnson Michael L. Gillette, 2012-12-06 A fascinating look at the life of Lady Bird Johnson draws largely on 47 recorded oral history interviews conducted by the author and his colleagues over a span of 18 years

Lady Bird Johnson Louann Atkins Temple, 2013-11 Lady Bird Johnson led an action packed life She married a complex man who led her into the world of politics and put her on center stage before a worldwide audience She believed her job as a wife was to support him at the same time her own interests called her to work for the environment to help the disadvantaged and to be a businesswoman This is the story of a woman who belonged to the generation of stay at home wives but performed at the highest level of women in the world She did it by rising above her shyness and by being self disciplined with a problem solving mind and a curiosity about the world and a love of its wonders so great that she could not let any of it pass her by untested a woman who lived life fully a woman worth studying and imitating By the time she became First Lady change was sweeping the country Women wanted to be recognized for their abilities Minorities claimed their rights to vote and go to the schools of their choice Some began to recognize our responsibility to end poverty and to protect the environment Lady Bird Johnson was at the forefront of these movements After the presidency she spent most of the next 38 years as a widow in her home state of Texas where she created the Lady Bird Johnson National Wildflower Center to study ways to enhance and sustain the environment through the use of native plants This courageous activist First Lady died at age 94 a beloved and important American figure In *Lady Bird Johnson Deeds Not Words* Louann Temple offers an insightful inspiring portrait of the singular wife of the 36th president Lyndon Baines Johnson and perhaps our most underappreciated first lady As she writes in the book's introduction If LBJ Lyndon Baines Johnson blew through through this country with the force of a tornado LBJ Lady Bird Johnson embodied the force of a gentle breeze and she too changed America Mrs Temple eloquently tells young readers why Mark K Updegrave Director Lyndon Baines Johnson Presidential Library A lifelong Texan with degrees in English and American Civilization from the University of Texas at Austin Louann Temple observed history firsthand when her husband served on President Lyndon Johnson's White House staff She has been an active community

volunteer particularly in the arts and in education Her interest in the arts led her to six years as a Texas Commissioner for the Arts and to write a master s thesis on presidential support for the arts She has also written articles for The Handbook of Texas Eager to remain close to her alma mater she has served on Advisory Councils at the University of Texas for Liberal Arts and for UT Press

Lady Bird Johnson Louann Atkins Temple,2025-11-04 A brief biography of Lady Bird Johnson for young readers

Miss Lady Bird's Wildflowers Kathi Appelt,2005-02-15 Bluebonnets and lady s slippers larkspurs and blazing stars black eyed Susans and Granny s nightcaps From a lonely childhood in the Piney Woods of East Texas to an exciting life in the White House Lady Bird Johnson loved these wildflowers with all her heart They were her companions in her youth greeting her everywhere as she explored wild forests bayous and hills Later as First Lady she sought to bring the beauty of wildflowers to America s cities and highways She wanted to make sure every child could enjoy the splendor of wildflowers In this warm engaging look at the life of a great First Lady Kathi Appelt tells the story behind Lady Bird Johnson s environmental vision Joy Fisher Hein s colorful wildflowers burst from every page inviting us to share in Lady Bird s love for natural beauty
