Mate to the Beastmen - Monster Sex Gangbang Menage Reluctant Erotica Francis Ashe, When cryptozoology TV show host Gina Templeton finds herself in the clutches of a long lost tribe of savage beastmen their leader Kalak takes special interest He relates the terrible plight of his people the suffering they ve endured and how he plans to rebuild his group one baby at a time Feral urgent randy and raunchy this story is sure to bring out YOUR inner beast Warning This 7000 word sizzling erotic tale features a woman ravished by a huge savage beastman explicit and very very rough oral sex deep throating hard fucking reluctant breeding rough handling an internal cumshot and the promise of a better future for Kalak s tribe Excerpt Wet Hot The words rolled around my mind as my bestial lover rent away the tiny shreds that remained of my clothes As soon as I was nude I felt a drop of sweat run down my neck tickle every pore on my chest and then collect on the end of my stiff eager nipple before it fell off into the leaves at our feet Kalak s finger took the same path down my body but he continued past my breast down over my belly until he brushed lightly against the sprig of pubic hair above my cleft You Gina safe with Kalak he whispered in a baritone as he curled his fingers under me around my sex My skin prickled to life

under his fingertips and he drew an expectant breath from my lips I wanted so badly for him to just bend me over possibly over a big root or something and fuck me from behind for all he was worth Just he and I alone in this little stretch of forest brought peace that I had not known in years I felt at ease I felt safe with him As he stroked me his fingers slowly moving up and down my slit until they were coated in juice this great beast a taller than me by at least a foot and wider by the same measure stared straight into my eyes This was at my count the fourth face I d seen him present I d seen him fierce playful and commanding but never until then saw the way that he must have looked at the woman who he obviously missed terribly It was the first time I saw tenderness in his face Kalak's gentle smile and the leather fingertips brushing against my body took me away I felt strangely like I belonged with him I thought it absurd but the way he looked at me and caressed me I felt like something akin to true love was blossoming between us In the forest I had no television career No one was watching me expecting some pithy one liner It was just me and him The two of us The rest of the world may as well have not existed When his fingers went over my belly they left a wet streak of sex that dried slowly on my skin in the early morning humidity I kissed the two fingers as they rested on my lips and tasted myself tasted what was left of Kalak from when he was inside me before Something something deep deep inside me trembled as his fingers tickled back down my body and he pulled me against his fur covered chest with a thick muscled forearm Just as he did buttery sun dripped through the leaves in little trickles that flashed around our feet Looking down I saw that the huge beastman was moving his fingers against my body in a way that seemed almost nervous Putting my hand and my cheek against his blazing hot chest I inhaled deeply The fresh living scent of the woods dirt fallen leaves dew and grass filled my nose along with the rough hard wonderful smell from my beastman chief
