# Life After Kes

**John Hill**

## **Life After Kes:**

**Life After Kes** Simon W. Golding, 2016-06-15 *Life After Kes* examines the history and legacy of the 1969 award winning British film *Kes* about a boy's Billy Casper relationship with a kestrel. This fascinating book not only pays homage to the vision and extraordinary talent involved both in front and behind the camera but also looks at subsequent changes in the educational system posing some important questions: Are we any better off today? Have schools and teaching staff moved forward over the last few decades? Have successive governments learnt anything from the mistakes of the past? *Life After Kes* explores the lives of the cast and production team since the making of the film including David Dai Bradley who played the lead role and examines why the legacy of Billy Casper and the national perception of *Kes* cast a shadow over South Yorkshire. Does Casper's ghost still haunt this ex-mining community and is director Ken Loach's gritty northern drama as relevant today as it was then? This book is a must-have for all film fans anyone who enjoyed *Kes* and all those with an interest in British social history.

**Life After Kes** Simon W. Golding, 2005 This book examines the history and legacy of this award winning British Film made on location in Yorkshire. The book not only pays homage to the vision and extraordinary talent that was evolved both in front of and behind the camera but also compares the changes in the educational system: Are we any better off today? Have we learnt anything? Have successive governments learnt anything? Have the teachers forgotten anything? After 35 years is Loach's gritty Northern Drama as important a message as it was then? What effect does the film industry have on young people thrust into the nation's gaze? Most importantly the book explores the lives of the cast and production team since the film was made and asks how the legacy of Billy Casper and the national perception of *Kes* has cast a shadow over this part of South Yorkshire. Does Casper's ghost still haunt this community or has the regeneration of this mining area finally laid him to rest?

**Sixties British Cinema Reconsidered** Petrie Duncan Petrie, 2020-03-02 This collection of exciting new research on British cinema of the 1960s reconsiders and reframes the film culture that emerged from that tumultuous decade. Challenging assumptions around Sixties stardom the book focuses on creative collaboration and the contribution of production personnel beyond the director and discusses how cultural change is reflected in both film style and cinematic themes. With perspectives and insights from established scholars and new critical voices *Sixties British Cinema Reconsidered* draws on under-explored archival resources to explore four key research areas: stars and stardom, creative collaborations in filmmaking, developments in genre and film style and how the cinema of the period both responded and contributed to social and cultural transformation in the 1960s.

**Ken Loach** John Hill, 2019-07-25 John Hill's definitive study looks at the career and work of British director Ken Loach. From his early television work *Cathy Come Home* through to landmark films *Kes* and examinations of British society *Looking For Eric* this landmark study reveals Loach as one of the great European directors.

**Exploring Star Trek: Voyager** Robert L. Lively, 2020-04-16 In 1995 *Star Trek Voyager* brought a new dynamic to *Star Trek*'s familiar starship oriented show. Lost 70,000 light years in space *Voyager* and its crew faced an uncertain and

changeable future echoing anxieties felt in the United States at the time These fifteen essays explore the context characters and themes of Star Trek Voyager as they relate to the culture and zeitgeist of the 1990s Essays on gender show how the series both challenges and reinforces typical SF stereotypes through the characters of Captain Janeway Kes and Seven of Nine while essays on identity examine the show's intersections with disability studies race and multiracial identities family dynamics and emerging AI and humanity Using the epic journey of Homer's Odyssey as a starting point for the series and ending with an examination of the impacts of inception at the birth of the internet age this book shows the many ways in which Voyager negotiated different perspectives for what the future of the galaxy and the USA could be

Time-Travel Television Sherry Ginn, Gillian I. Leitch, 2015-10-08 Stories of time travel have been part of science fiction since H G Wells sent his nameless hero hurtling into Earth's distant future in The Time Machine Time travel enables the storyteller to depict alternate realities bring fictional characters face to face with historical figures and depict moral and ethical dilemmas in which millions of lives or the world as we know it are at stake From Doctor Who and Quantum Leap to the multiple incarnations of Star Trek time travel has been a staple of science fiction television for more than fifty years Time Travel Television The Past from the Present the Future from the Past surveys the whole range of time travel stories on the small screen The essays in this collection explore time travel series both familiar Babylon 5 Stargate SG 1 and forgotten The Time Tunnel Voyagers as well as time travel themed episodes and arcs in series where it is not central such as Red Dwarf Lost and Heroes Contributors to this volume consider some of the classic themes of time travel stories the promise and peril of fixing the past the chance to experience and choose possible futures and the potential for small changes to have great effects Exploring time travel as a teaching tool as a vehicle for moral lessons and as a background for high adventure this book offers new perspectives on many familiar programs and the first serious study of several unjustly neglected ones Time Travel Television is essential reading for science fiction scholars and fans and for anyone interested in the many ways that television brings the fantastic into viewers' living rooms

**The Star Trek Book** Paul J. Ruditis, 2016-06-07 Celebrate 50 years of one of the longest running and beloved sci-fi franchises with The Star Trek Book This comprehensive guide to the series delves into the myriad worlds and different dimensions visited by the crew of the U S S Enterprise Discover the amazing science of Star Trek and how it has influenced real world technology such as flip phones Featuring informative and analytical text combined with exciting photography and infographics throughout The Star Trek Book is broken down into main categories such as science and technology Starfleet allies and enemies and more Perfect for fans of the various Star Trek TV series including The Next Generation Deep Space Nine Voyager and Enterprise The Star Trek Book details everything you need to know about 50 years of excitement and adventure on the final frontier 2016 CBS Studios Inc 2016 Paramount Pictures Corporation STAR TREK and related marks are trademarks of CBS Studios Inc All Rights Reserved
