Letters of Thomas Cromwell, Vol. 1 (Classic Reprint) Roger Bigelow Merriman, 2015-07-10 Excerpt from Life and Letters of Thomas Cromwell Vol 1 This book is an attempt to present the life of Thomas Cromwell as a statesman and to estimate his work without religious bias Though it would certainly be difficult to overrate his importance in the history of the Church of England I maintain that the motives that inspired his actions were invariably political and that the many ecclesiastical changes carried through under his guidance were but incidents of his administration not ends in themselves Consequently any attempt to judge him from a distinctively religious standpoint whether Catholic or Protestant can hardly fail it seems to me to mislead the student and obscure the truth I cannot agree on the other hand with those who have represented Cromwell as a purely selfish political adventurer the subservient instrument of a wicked master bent only on his own gain It seems to me as idle to disparage his patriotism and statesmanship as it is to try to make him out a hero of the Reformation He merits a place far higher than that of most men of his type a type essentially characteristic of the sixteenth century a type of which the Earl of Warwick in England and Maurice of Saxony on the Continent are striking examples a type that profoundly influenced the destinies of Protestantism but to which theological issues were either a mere nothing or else totally subordinate to political considerations About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [British Books](#) ,1903 **The Bookman** ,1897 **Subject Guide to Books in Print** ,1997 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1902 [Life and letters of thomas cromwell, vol.2, by r.b. merriman](#) Roger bigelow Merriman,1968 [Books in Print Supplement](#) ,2002
