From Predator to Prey Letlhokwa George Mpedi, 2025-10-31 In the stillness of the African bush leadership reveals itself in its most primal form Here where the survival of each species depends on discipline instinct coordination and trust its lessons arise from the most unexpected sources For Letlhokwa George Mpedi a journey through South Africa's Kruger National Park transformed from merely a game drive to a masterclass in leadership Observing the intricate dynamics of animal behaviour Letlhokwa began to trace compelling parallels between the natural order and human systems of power Through this lens this book explores how nature's codes can inform leadership dynamics Drawing from a distinctly African approach to leadership which emphasises community and interdependence From Predator to Prey explores the unwritten rule of law that governs the wild and its applications for humanity From the silent cooperation of lionesses on a hunt to the matriarchal approach of elephants and even the territorial instincts of wild dogs this book offers a vivid and thought provoking perspective on how nature's instincts can inform our understanding of leadership dynamics As Letlhokwa tracks and interprets the behaviours and strategies of various species he challenges conventional ideas of leadership based solely on top down control Through this observation he invites a critical rethinking of conventional leadership paradigms In place of rigid hierarchies he presents a model that values the very tenets of ubuntu leadership as he offers a compelling argument for leadership rooted in nature's enduring logic Letlhokwa George Mpedi is a Professor of Labour and Social Security Law and the Vice Chancellor and Principal of the University of Johannesburg UJ He completed his B Juris degree 1996 and LLB degree 1998 at Vista University In 2001 the LLM degree in Labour Law was conferred upon him by the then Rand Afrikaans University now UJ and the LLD degree in Mercantile Law was conferred upon him in 2006 by UJ
