Life Is Lived Inside The Mind:

Life Lamont Moroc-Dean Valentine,2010-06 You haven't started life you only believe you have because that's all you know Things you've come to embrace are the very things keeping you sick worried confused and defeated Have you wondered why things are the way they are Ever asked why do I feel up one day down the next Life is not the roller coaster you've allowed it to be You are the operator at the amusement park learn to apply the brakes to the rides and move toward your destiny Paying a toll as you go through life is not reality as you've experienced for years Take the wheel then shift to cruise control The toll booths are there to slow you down so you're going to have to simply push ahead Embrace wisdom understanding and new direction Finding true life begins now You're about to escape from living in fictional existence
