Attorney General 2001 1 AC 268 In which a double spy had been imprisoned by the UK government before escaping and settling in the former Soviet Union While there wrote a book on his experiences upon which the UK government claimed the proceeds of the book The House of Lords as it then was allowed the claim on the basis of Blake s breach of his employment contract Other examples are the infringement of intellectual property rights where the damages of the owner are limited but the profits of the wrongdoer immense In such cases the question arises whether the infringing party should be disgorged of his profits This volume aims at establishing the notion of disgorgement of profits as a keyword in the discourse of private law It does not purport to answer the question whether or not such damages should or should not be awarded It does however aim to contribute to the discussion the arguments in favour and against and the organisation of the various actions

**Risk and EU law** Hans-W. Micklitz,Takis Tridimas,2015-09-25 Risk and EU Law considers the multiple reasons for the increase in the types and diversity of risks as well as the potential magnitude of their undesirable effects The book identifies such reasons as the openness of liberal societies market competition the constant endeavour to innovate as well as globalization and the impact of new technologies It also explores topics surrounding the social epistemology of risk observation and management the role of science in political and judicial decision making and transnational risk regulation and contractual governance

**Microeconomics** Edwin G. Dolan,David Earl Lindsey,1994 *Microeconomics* Robert S. Pindyck,Daniel L. Rubinfeld,2001 For courses in intermediate microeconomics microeconomic theory price theory and managerial economics The market leader in Intermediate Microeconomics the book is well known for its coverage of modern topics Game theory Economics of Information clarity of its writing style and graphs and integrated use of real world examples The book is used in both economics departments and business schools and is well received for its applied nature The emphasis on relevance and application to both managerial and public policy decision making are focused goals of the book It succeeds in showing how microeconomics can be used as a tool for decision making

*Books in Print* ,1991 *Macroeconomics* Richard T. Froyen,2002 For courses in Intermediate Macroeconomics This text traces the history of macroeconomics the evolution of macroeconomic thought and the resulting theory and policy The book places the various macroeconomic theories in the order in which they developed chronologically and illustrates the similarities and differences of the models The author admires all points of view and the result is a comprehensive detailed unbiased view of modern macroeconomic theory Would you like a text that effectively compares and contrasts all the competing macroeconomic theories without espousing one particular point of view

**Subject Guide to Books in Print** ,1996 **Books in Print Supplement** ,1994 Microeconomics Robert Paul Thomas,1989 Microeconomics Eric P. Chiang,2023 Microeconomic Theory Walter Nicholson,1992 Principles of Microeconomics James F. Ragan, Jr.,Lloyd B. Thomas, Jr.,1993 **American Book Publishing Record** ,2005 **Intermediate Microeconomics and Its Application** Walter Nicholson,1990 After a timely update of its problem sets and applications Intermediate Microeconomics and Its Application is now available in an eighth edition As with previous

editions this text still offers the most clear and concise introduction to economic analysis of how markets operate The author's streamlined approach to the material and lively new discussions offer students a textbook that is easy to learn from and interesting to read Instructors will like the additions to the Further Topics section which offers an up to date presentation of new topics in microeconomics Harvard Business School Core Collection 1995 Baker Library, 1995 *Macroeconomics*
