**Jack The Ripper** Paul Gainey, Stewart Evans, 2013-07-31 Stewart Evans is a policeman whose hobby is collecting true crime ephemera When a second hand bookseller rang to ask him if he would be interested in a collection of letters from the Special Branch he had no idea of the sensational revelation they would contain One of these letters supplied an astonishing piece of information not contained in the decimated Scotland Yard files The police had actually arrested and charged an American with the Ripper murders but he escaped and disappeared in America The Ripper murders ceased The book reveals for the first time the identity of Jack the Ripper JACK the RIPPER - First Publications (Published 1888. Illustrated) Ben Hammott, John Francis BREWER, 2018-09-09 THE CURSE UPON MITRE SQUARE A D 1530 1888 By JOHN FRANCIS BREWER Original Illustrated Unabridged 1888 Version THE HISTORY OF THE WHITECHAPEL MURDERS A Full And Authentic Narrative Of The Above Murders With Sketches Original Illustrated Unabridged 1888 and 1889 Versions During the era of the Jack the Ripper slayings in 1888 the newspapers sensational headlines captured the public's imagination but did little to satisfy their hunger for more news on these ghastly crimes John Francis Brewer no doubt seeing a way to profit from the hysteria surrounding the Ripper murders puts pen to paper and in October 1888 even before the final murder had been committed and Jack disappeared forever the first fictionalization of the Ripper killings appeared in the form of John Francis Brewer's The Curse Upon Mitre Square Though both books reveals no clues as to the Ripper's identity and factual errors because they were written at the time of the murders and the very first printed publications dedicated to Jack the Ripper it is essential reading to those interested in Jack the Ripper and murder stories in general Both are worth reading for their entertainment value This is what the press had to say about Brewer's book at the time It can not be denied that Mr Brewer has written a clever and blood curdling book Evening Post A very remarkable little booklet Is written with the best intention and will doubtless have a fascinating interest to lovers of the tragic Provincial press This thrilling little tale as condensed as a meat lozenge is the work of Mr John Francis Brewer who has laid before his readers a perfect feast of horrors Having obtained possession of some very recondite and curious information concerning the precedents of Mitre Square the author proceeds to impart his privileged knowledge in about as gruesome a tale as it has ever been our fate to read late at night when the fire burning low and encircling one with shadows that embody the horrors one is reading causes one to start and look up and all around in a fit of ignominious pusillanimity The Curse Upon Mitre Square boasts some literary qualities above its supreme sensationalism It is indeed a well written booklet whose perusal we can confidently recommend to all our readers who care to have their minds agreeably thrilled by scientifically accumulated terrors The Gentleman THE HISTORY OF THE WHITECHAPEL MURDERS is the original title This publication was reprinted in 1889 with the title AN EXTENDED ACCOUNT OF THE WHITECHAPEL MURDERS BY THE INFAMOUS JACK THE RIPPER This later edition omitted some of the original 1888 text and images and added a couple of new images These changes are clearly marked in the combined 1888

1889 publications New images have also been added Both publications have linked table of contents and illustration menus The included publications have been typed from the originals and are NOT scanned or photocopied editions *British Medical Journal* ,1899 The First Publications about JACK the RIPPER (Published 1888. killings the Goulston Street Graffito and why the real killer was not charged in 1888 All the experts agreed we would never know the true identity of the world's most famous serial killer It has taken 136 years of theorizing and speculation plus the determination of Russell Edwards a twenty first century businessman fascinated by the nineteenth century social history of London's East End to finally solve the mystery of Jack the Ripper In February 2014 Russell received stunning DNA results and revealed the true identity and name of Jack the Ripper In the decade since he has continued his quest to prove the identity of the Ripper beyond the shadow of a doubt The key to the solution lay in the sole piece of physical evidence to have survived from the murders of five Whitechapel women by the Ripper in 1888 In the early morning of Sunday 30th September 1888 a shawl lay bloodied alongside the body of the Ripper's fourth victim Catherine Eddowes A Metropolitan Police officer PC Amos Simpson was attending the crime scene as an acting sergeant and was permitted to take the shawl away It remained in his family until the author bought it in 2007 following a public auction But could the shawl's provenance be proved Russell set about authenticating the shawl by commissioning scientists at Liverpool John Moores University led by Dr Jari Louhelainen to use modern forensic techniques to analyze DNA extracted from stains on the shawl DNA from both Catherine Eddowes and her suspected killer In this book Russell examines the police reports eyewitness accounts post mortems and all known information on the lives of the victims in his search for vital clues With the help of modern forensic techniques Russell's ground breaking discoveries provide conclusive answers to many of the most challenging mysteries surrounding the case

**Jack the Ripper** Victoria Lynn Morley, 2023-06-23 I fired my second editor in 2016 after 10 years and I asked Why are you changing my book and putting in voices he supposedly is hearing in his head like a schizophrenic Louise responded Well he would have to have been crazy to carve up those women in that way I resonated If he was a schizophrenic then I'm a schizophrenic you've been brainwashed by social media he was a killer Then I hired my third editor proofreader Harold Winberg who translated technical instruction manuals into six languages I knew he would pay close attention to details and not change or distort the message To understand one's psyche as a trained psychologist I know you have to start at the true beginning You can't just jump into London 1888 during the Jack the Ripper murders and begin chapter 1 there because it's thrilling at first glance he would appear a deranged psychopath at the least John or Jack was already a skilled horse slaughterer at age 17 he could slit the throat and sever the vocal cords of horses with a sharp knife a silent killer Oh a knife The Ripper why is a knife so much scarier than a gun Because it's personal and intimate

**Jack the Ripper** Paul Begg, 2013-10-03 The clearest most accurate and most up to date account of the Ripper murders by one of Britain's greatest and most respected experts on the autumn of terror in Victorian London William D Rubenstein Professor of Modern History University of Wales Aberystwyth England in the 1880s was a society in transition shedding the skin of Victorianism and moving towards a more modern age Promiscuity moral decline prostitution unemployment poverty police inefficiency all these things combined to create a feeling of uncertainty and fear The East End of London became the focus of

that fear Here lived the uneducated poverty ridden and morally destitute masses When Jack the Ripper walked onto the streets of the East End he came to represent everything that was wrong with the area and with society as a whole He was fear in a human form an unknown lurker in the shadows who could cross boundaries and kill Jack the Ripper The Definitive History is not yet another attempt to identify the culprit Instead the book sets the murders in their historical context examining in depth what East London was like in 1888 how it came to be that way and how events led to one of the most infamous and grisly episodes of the Victorian era *The Face of Jack the Ripper* Peter Thurgood,2017-08-22 My aim in writing this book is to expose for the very first time a completely new and compelling theory that reveals the true identity of Jack the Ripper In 1888 a series of murders occurred in London s East End The first definite victim of the killer who became known as Jack the Ripper was Mary Nichols who was murdered on 31st August 1888 She is the first of what are often referred to as the five canonical victims all of whom were murdered between August 31st and November 9th 1888 a period of just 10 weeks The canonical five victims were Mary Nichols Annie Chapman Elizabeth Stride Catherine Eddowes and Mary Kelly all of whom are believed to have been murdered by the man now known throughout the world as Jack the Ripper It has been 129 years since these murders took place and no one has ever been charged with committing any of them This was a multiple murder case that gripped the nation a veritable whodunit which baffled every policeman in the country With an abundance of suspects from royalty to artists to local trades men and countless arrests no one until now has ever been able to name the person who without a doubt was Jack the Ripper These were no ordinary murders they were macabre like the Devil himself had committed them What kind of man would do such things cutting a woman open and pulling her intestines out and spreading them over her body in the street in full view of any passer by People have been asking that question for 129 years What kind of man Was he like the Devil a monster with an evil face who swept through the streets of Whitechapel in a top hat and flowing cloak carrying a doctor s bag containing the tools of his trade If he had been this visible I can assure you that he would have been captured much earlier into his career and it might have even saved the lives of some of his victims Jack the Ripper did wear a cloak but not as we know it it was like a cloak of invisibility which protected him from the men and women on the streets from fearing him for who is frightened of the ordinary man the man next door in his overcoat and bowler hat the man we all know and trust In this book the real murderer is revealed for the first time exclusively in this captivating study of a multiple murder case that took place in the nineteenth century evidence and facts never revealed before **Complete Jack The Ripper** Donald Rumbelow,2016-02-18 Fully updated and revised Donald Rumbelow s classic work is the ultimate examination of the facts theories fictions and fascinations surrounding the greatest whodunit in history The Complete Jack the Ripper lays out all the evidence in the most comprehensive summary ever written about the Ripper Rumbelow a former London Metropolitan policeman and an authority on crime has subjected every theory including those that have emerged in recent years to the same deep scrutiny He also examines the mythology surrounding the case and

provides some fascinating insights into the portrayal of the Ripper on stage and screen and on the printed page More seriously he also examines the horrifying parallel crimes of the D sseldorf Ripper and the Yorkshire Ripper in an attempt to throw further light on the atrocities of Victorian London     Jack the Ripper Michael Burgan,2017-08-15 Get a behind the scenes glimpse of what it takes to be considered one of the worst figures in history     *Jack the Ripper Suspects: The Definitive Guide and Encyclopedia* Paul Williams,RJ Parker,2018-03-28 In the autumn of 1888 a serial killer known as Jack the Ripper stalked the East End of London He was never identified but hundreds of people were accused Some were known to the authorities at the time and others were named by later researchers The truth about them and the reasons why they came under suspicion is often lost in a plethora of opinions and misinformation For the first time this book presents the evidence against 333 suspects They include the publican who painted his dog the first woman sentenced to the electric chair the writer of the Red Flag the man with a thousand convictions Britain s oldest Prime Minister and many others People from all walks of nineteenth century life representing many different nationalities and professions United by a link however tenuous to the most famous murderer in history     *The Diary of Jack the Ripper* Shirley Harrison,1993 The discovery the investigation the debate Includes the full text of the diary and the arguments for and against its authenticity     The True Face of Jack the Ripper Melvin Harris,2004-09 Melvin Harris is regarded as one of the world s top experts on Jack the Ripper Now at last he claims his search is complete Using FBI techniques he offers a case against the man he believes to be the true face of the Ripper
