A Little Taste of Jamaica Andrea Walters, 2011-03 A Little Taste of Jamaica is a creation of Jamaican recipes put together as a gift from the author to her culture and homeland, Jamaica. Its sole purpose is to help preserve the Jamaican Culture. I have found out while living here in the United States of America that there are many Jamaican families whose parents, grand parents, aunts, or uncles know how to cook Jamaican food, but their children or grand children have not inherited the culinary skills owned by their ancestors. They long to cook like their parents but have not been taught. The purpose of this book is to preserve and pass on the culture, the recipes, and a taste of the Jamaican Food. Many restaurants and cooks would love to cook Jamaican Style, and some have tried and have fallen short. Jamaica has developed a popularity for certain of its foods. People of different nationality have tasted and desire to taste again, or even
