James Baldwin, 2016-03-01 Set among the bohemian bars and nightclubs of 1950s Paris this groundbreaking novel about love and the fear of love is a book that belongs in the top rank of fiction The Atlantic With an Introduction by Colm T. ib. n New York Times bestselling author of *The Master David* is a young American expatriate who has just proposed marriage to his girlfriend Hella While she is away on a trip David meets a bartender named Giovanni to whom he is drawn in spite of himself Soon the two are spending the night in Giovanni's curtainless room which he keeps dark to protect their privacy But Hella's return to Paris brings the affair to a crisis one that rapidly spirals into tragedy Caught between his repressed desires and conventional morality David struggles for self knowledge during one long dark night the night which is leading me to the most terrible morning of my life With sharp probing insight *Giovanni's Room* tells an impassioned deeply moving story that lays bare the unspoken complexities of the human heart      **Nothing Personal** James Baldwin, 2021-05-04 James Baldwin's critique of American society at the height of the civil rights movement brings his prescient thoughts on social isolation race and police brutality to a new generation of readers Available for the first time in a stand alone edition *Nothing Personal* is Baldwin's deep probe into the American condition Considering the Black Lives Matter protests in the summer of 2020 which were met with tear gas and rubber bullets the same year white supremacists entered the US Capitol with little resistance openly toting flags of the Confederacy Baldwin's documentation of his own troubled times cuts to the core of where we find ourselves today Baldwin's thoughts move through an interconnected range of questions from America's fixation on eternal youth to its refusal to recognize the past its addiction to consumerism and the lovelessness that fuels it in its cities and popular culture He recounts his own encounter with police in a scene disturbingly similar to those we see today documented with ever increasing immediacy This edition also includes a new foreword from interdisciplinary scholar Imani Perry and an afterword from noted Baldwin scholar Eddie S. [James Baldwin: The Last Interview](#) James Baldwin, 2014-12-02 Never before available the unexpurgated last interview with James Baldwin I was not born to be what someone said I was I was not born to be defined by someone else but by myself and myself only When in the fall of 1987 the poet Quincy Troupe traveled to the south of France to interview James Baldwin Baldwin's brother David told him to ask Baldwin about everything Baldwin was critically ill and David knew that this might be the writer's last chance to speak at length about his life and work The result is one of the most eloquent and revelatory interviews of Baldwin's career a conversation that ranges widely over such topics as his childhood in Harlem his close friendship with Miles Davis his relationship with writers like Toni Morrison and Richard Wright his years in France and his ever incisive thoughts on the history of race relations and the African American experience Also collected here are significant interviews from other moments in Baldwin's life including an in depth interview conducted by Studs Terkel shortly after the publication of *Nobody Knows My Name* These interviews showcase above all Baldwin's fearlessness and integrity as a writer thinker and individual as well as the profound struggles he faced along the way

*Just Above My Head* James Baldwin, 2000-06-13 James Baldwin's final novel is the work of a born storyteller at the height of his powers The New York Times Book Review Not everything is lost Responsibility cannot be lost it can only be abdicated If one refuses abdication one begins again The stark grief of a brother mourning a brother opens this stunning unforgettable novel Here in a monumental saga of love and rage James Baldwin goes back to Harlem to the church of his groundbreaking novel *Go Tell It on the Mountain* to the forbidden passion of *Giovanni's Room* and to the political fire that enflames his nonfiction work Here too the story of gospel singer Arthur Hall and his family becomes both a journey into another country of the soul and senses and a living contemporary history of black struggle in this land

[The Fire Next Time](#) James Baldwin, 1964 *Reclaiming the Dirt of Identity* Daniel Stasik, 1999

[Me and My House](#) Magdalena J. Zaborowska, 2018-03-29 The last sixteen years of James Baldwin's life 1971-87 unfolded in a village in the South of France in a sprawling house nicknamed *Chez Baldwin* In *Me and My House* Magdalena J. Zaborowska employs Baldwin's home space as a lens through which to expand his biography and explore the politics and poetics of blackness queerness and domesticity in his complex and underappreciated later works Zaborowska shows how the themes of dwelling and black queer male sexuality in *The Welcome Table* *Just Above My Head* and *If Beale Street Could Talk* directly stem from *Chez Baldwin*'s influence on the writer The house was partially torn down in 2014 Accessible heavily illustrated and drawing on interviews with Baldwin's friends and lovers unpublished letters and manuscripts *Me and My House* offers new insights into Baldwin's life writing and relationships making it essential reading for all students scholars and fans of Baldwin
