## **James Sprunt Review Volume I Number November 1972:**

*Dictionary of North Carolina Biography* William S. Powell, 2000-11-09 The most comprehensive state project of its kind the Dictionary provides information on some 4 000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries Much of the bibliographic information found in the six volumes has been compiled for the first time All of the persons included are deceased They are native North Carolinians no matter where they made the contributions for which they are noted or non natives whose contributions were made in North Carolina **James Sprunt**

**Historical Studies** Wayne Mixon, 1980 *The North Carolina Historical Review* ,1972 *Forthcoming Books* Rose Army, 1997-12 *Political Geography* B. L. Sukhwai, Lilawati Sukhwai, 1996 This reference work contains more than 15000 entries on political geography political science international studies social sciences military and strategic studies and ocean resources The materials have been collected from more than 270 journals and periodicals current geographical publications the American Geographical Society Research Catalog and bibliographies of various political geography books The available materials have been collected on political geography since 1945 while important materials from earlier periods have also been included The book also includes theses and dissertations that enhance its usefulness **The Martindale-Hubbell**

**Law Directory** ,1993 **Bowker's Law Books and Serials in Print** ,1986 *The Chicago Afro-American Union Analytic Catalog* ,1972 *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Dept. of Bibliography, R.R. Bowker Company. Product Development and Marketing Dept, R.R. Bowker Company. Publications Systems Dept, 1978 **Pilgrim in the Ruins** Jay Tolson, 1992 When The Moviegoer an extraordinary first novel by an unknown Louisiana author won the National Book Award in 1962 it marked the arrival of an exceptional literary talent With his five successive novels and his wide ranging philosophical and occasional essays Walker Percy shored up his reputation as one of America's greatest writers an ironic moralist and perhaps the shrewdest chronicler of life in the New South Yet even by the time of his death in 1990 little was known about this intensely private man Based on extensive interviews written with access to Percy's letters and manuscripts Jay Tolson has fashioned the first major biography of the writer an authoritative portrait that brings Percy alive as it illuminates his distinguished body of work We see Percy's life and his brilliant career against the background of the American South whose colorful and tragic history is rooted deeply in the hearts and minds of its most talented sons and daughters With a novelist's eye for character and the judgment of an informed critic Tolson captures the lifelong drama of genius always attentive to its artistic psychological and spiritual dimensions Percy was the scion of a proud honorable and accomplished family a clan haunted by a crippling streak of melancholy that issued repeatedly in suicides including the self inflicted deaths of Walker Percy's father and grandfather Tolson depicts the struggle of Percy's life and the heroism with which he battled his family demons and his own tubercular condition and worked his way toward a writing career Here is the young Percy in the days after his father's death traveling with his brother and his mother who would soon

die herself in mysterious circumstances from his childhood home of Birmingham Alabama to Athens Georgia and then on to Greenville Mississippi and the sprawling house of his Uncle Will Adopted at 16 by this remarkable bachelor poet lawyer planter the most important single influence on the future author s life Percy came to maturity in what he later described as an all male household visited regularly by other poets politicians psychiatrists sociologists black preachers folk singers Civil Rights leaders and itinerant guitar players We follow Percy as he travels north to New York where he attended medical school and with the help of a psychiatrist began to make sense of his complex family legacy Tolson details Percy s movement toward the Catholic Church his first struggles as a writer his early involvement with the publishing world the steady support of his friend and fellow writer Shelby Foote and a demanding apprenticeship under the supervision of the gifted novelist Caroline Gordon and her husband the late Allen Tate Percy emerged an altogether distinctive writer a Catholic artist who like Flannery O Connor worked in a predominantly Protestant culture an heir to the literary traditions of the Southern Renaissance who adopted the strategies of modern European fiction and philosophy to forge his own narrative art Tolson guides us through the creation of both the unpublished and published novels from *The Charterhouse* through *The Thanatos Syndrome* as well as the philosophical works that underlie and complement Percy s fiction The biographer shows us how the demands of his work were eased by rich friendships including those with fellow writers Thomas Merton Eudora Welty and Robert Coles We learn also about a marriage of abiding strength and of the love and care that Percy and his wife Bunt gave to the raising of their two daughters one of them all but deaf from birth Above all we see the man in all his shifting moods the gracious easy almost avuncular manner straining against a powerful furious intensity an almost furious energy Here is the dark tragedy the humor and the hard earned wisdom of a life whose outward calm concealed an internal drama an unrelenting fight against hopelessness and despair Percy s story is that of a writer and moralist who made enduring art out of his search for truth
