Genesis to Numbers This volume is the first of three on the Old Testament It begins with a discussion of the importance of studying the Old Testament and the role of Jesus Christ in the Plan of Salvation and His selection as our Savior in the premortal council in heaven We read concerning the process of creation the placing of Adam and Eve in the Garden of Eden and their fall into mortality We learn briefly about Cain and Abel followed by brief discussions of all the patriarchs from Adam to Abraham Isaac and Jacob We follow the story of Joseph in Egypt followed by the migration of Jacob s family to that land for survival We read of the rise of Moses the Exodus and the events at Mt Sinai Then we study the rebellion of the children of Israel and their wandering in the wilderness for 40 years The cover features a beautiful image of Abraham s Journey from Ur to Canaan painted by Jozsef Molnar in 1880      *Bible Class for Adults and Youth* Bible Sermons, 2024-11-04  
The book of Joshua culminates the redemption begun in Exodus Possession is the key word here Although God granted them the land they had to fight to take it and enjoy it Moses had taught the people that success depended on their obedience to the Word God chose Joshua for this mission His name which means savior evokes the Lord Jesus Christ In contrast Moses symbolized the law which alone cannot save so Joshua replaced him From this book emerge vital lessons about our spiritual warfare to enjoy the blessings that God has granted us the faithfulness of God
