elements weren't his only adversaries. The death of his adored sister Min, the tragic loss of mentors and rivals in the desert, countless broken bones and an accident that should have paralysed him for life. Toby's story is a study in staying true to yourself and following your passion to its ultimate end, rain, hail or shine. The person who emerged from the crucible of so many trials is now one of the most beloved figures in Australian sport, a kid from the country whose need for speed took him to the top of the podium and he's not about to slow down now.
