The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur nic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain The Love Letters of a Genius, Being a Translation of Prosper Merimee's "Letters a Une Inconnue" by Stendhal, 1916 E.A.S.Watt, with Am Introd. by F.E.B.duff Prosper Mérimée, 1905 The British National Bibliography Arthur James Wells,2003 Anthology of Russian Literature from the Earliest Period to the Present Time: The nineteenth century Leo Wiener, 1903 Anthology of Russian literature. by L.
