stared at me then looked at the door then to me again I get it I said You want to go for a run He lowered his front end waving his tail around in the air and let out a low warble Some things would never change Throwing off the sheet I climbed through the opening of my mosquito net The tiles were cool against my bare feet I dressed quickly Blue following me around the room encouraging me by tapping his nose against my hip Sneakers tied headlamp in place and phone in hand I opened my bedroom door The villa was dark My house mate Cynthia Dawlings was still in bed The sky outside the glass was just turning a milky gray As I closed the door behind me another group of howler monkeys began their morning call As Blue and I started down the path toward the trails I heard another group of monkeys start up in response to the ones in my yard And then another like a round robin of roars The path we walked on was lit by low lights yellow and solar powered The air was moist and fresh it carried a chill that wouldn't last long once the sun rose I passed other villas on my route This was once an eco resort Now it was a training center for Joyful Justice the stupidest named vigilante organization to ever blow stuff up But no one asked me when they were naming it even though I inspired the whole thing They had it wrong I am a monster not a hero I don't care about justice I crave revenge P S The dog does not die Beware If you can't handle a few f bombs you can't handle this series

Devil's Breath Emily Kimelman, At the end of a long journey lightning flashed outside my window I need more control My hand jumped to Mulberry's forearm and squeezed Shutting my eyes I struggled not to picture the small plane cracking in half my body flying through the air still seat belted to the beige leather chair Blue his paws grasping at empty space disappearing into the bruise colored clouds The small jet shook and our pilot's voice smooth and steady came over the loudspeaker Sorry about the bumps We'll have you down in Miami in about twenty minutes Just hold tight Mulberry put his hand over mine Don't worry he said We'll be there soon He smiled making his crow's feet crinkle Mulberry's eyes were deep emerald with ochre and flashes of gold I tried to smile back but could tell I was just giving grimace Mulberry handed me his whisky and soda I finished it off The ice cubes danced in my empty glass Then we were suddenly out of the clouds Below us the ocean was close steel blue with white caps cresting each wave The city's skyscrapers looked like towers of mercury in the

storm s eerie light Raindrops clung to my window streaking across it as our speed pushed them aside Hugh was somewhere down there in that city a flat landscape made multi dimensional through the efforts of man My stomach lurched as we dropped through the air my seat belt pressing into me Blue whined softly and flattened himself even further onto the floor of the plane A giant of a dog Blue has the coat of a wolf the snout of a Collie with one brown eye and one blue Both of which were trained on me at that moment My fear was freaking him out Closing my eyes I tried to imagine the turbulence as a gentle rocking but it didn t work An ice cube jumped out of my glass landing on the carpeting Blue his belly still flat on the ground inched his way toward it then his tongue stretched out and pulled the cube into his mouth He crunched twice before looking back up at me now hoping for more whisky flavored ice I couldn t help but smile at the expectant look on his fuzzy face We touched down with a jerk that sent my heart racing one more time But as we slowly taxied toward our hangar the storm seemed suddenly minor Just a breath of wind fluttered across the puddles turning them into shimmering mirrors framed by the dark tarmac All right Ms Rye our captain s voice came back on over the loudspeaker Sorry about that descent but we got you here safe Thanks for flying with us I hope we ll have you back real soon As soon as humanly possible I didn t want to be here but Hugh was in trouble and if there was one person I cared about in this world it was him He was a tie to my murdered brother a shared memory bank I would do anything to help Hugh P S The dog does not die Beware If you can t handle a few f bombs you can t handle this series Mark Lane Express ,1898 *The Mark Lane Express, Agricultural Journal &c* ,1898 The Rural New-Yorker ,1892 **“The” Illustrated London News** ,1855 **Bradstreet's** ,1880
