

competencies or educational levels (Saifan, Safieh, Milbes, & Shibly, 2015). The second one was for practitioners to acquire advanced training. Thirdly, the document supported the power of proper policymaking and planning to revolutionize America's healthcare system. The last one was for nurses to partner with different professionals in order to improve the quality of medical services.

## **Importance of the IOM Report**

### **Nursing Practice**

The ultimate objective of nursing practice is to maximize the health outcomes of every patient. The IOM offers several propositions that can be embraced to improve the quality of health services available to different citizens. The introduction of superior policies can empower different practitioners to acquire advanced training. This means that they can pursue their master's and doctorate degrees and acquire advanced competencies. This achievement can ensure that more patients have access to evidence-based and high-quality medical services (Saifan et al., 2015). Nurses practicing independently will improve their care delivery models and engage in lifelong learning. This new approach can transform the effectiveness of the country's healthcare system. The suggested collaboration between nurses and other professionals will improve the quality of medical services and minimize medication errors (Hassmiller & Reinhard, 2015). Challenges such as the nursing shortage will also reduce significantly.

### **Nursing Education**

The IOM report offers meaningful insights that can support the nature or quality of nursing education in the United States. For instance, the document explains why a superior system should be identified and implemented to meet the needs of many nurses. This development will ensure that more practitioners are equipped with the right skills, concepts, and competencies (Hooper, 2016). They will also be informed about different clinical guidelines that can result in positive health outcomes. Every professional in nursing is also encouraged to complete various educational or
