## **Iran A People Interrupted:**

*Iran* Hamid Dabashi, 2007 *Iran A People Interrupted* deals with current affairs and politics in the Middle East **An Analysis of Hamid Dabashi's Iran** Bryan Gibson, 2017-07-05 Hamid Dabashi's 2007 *Iran A People Interrupted* is simultaneously subtle, passionate, polarizing, and polemical. A concise account of Iranian history from the early 19th century onward, Dabashi's book uses his incisive analytical skills as a basis for creating a persuasive argument against the views of Iran that predominate in the West. In Dabashi's view, Western approaches to Iran have been colored time and time again by the assumption that it is somehow trapped between regressive tradition and progressive modernity. The reality he argues is quite the opposite: Iran has its own distinctive ideology of modernity which is nevertheless opposed to many Western ideals. In order to prove his point, Dabashi draws on a lifetime's experience of literary criticism to analyse the relationship between Iran's intellectual and political elites over two centuries. His analysis provides the key evidence for his reasoning by teasing out the implicit assumptions that underlie the texts and people he examines. Looking beneath the surface of the evidence, Dabashi finds time and time again the traces of a uniquely Iranian notion of modernity that is quite at odds with its Western counterpart.

**Iran** Hamid Dabashi, 2016-10-05 In this unprecedented book, Hamid Dabashi provides a provocative account of Iran in its current resurrection as a mighty regional power. Through a careful study of contemporary Iranian history in its political, literary, and artistic dimensions, Dabashi decouples the idea of Iran from its colonial linkage to the cliché notion of the nation-state and then demonstrates how an aesthetic intuition of transcendence has enabled it to be re-conceived as a powerful nation. This rebirth has allowed for repressed political and cultural forces to surface, redefining the nation's future beyond its fictive postcolonial borders and autonomous from the state apparatus that wishes but fails to rule it. Iran's sovereignty, Dabashi argues, is inaugurated through an active and open-ended self-awareness of the nation's history and recent political and aesthetic instantiations as it has been sustained by successive waves of revolutionary prose, poetry, and visual and performing arts performed categorically against the censorial will of the state.

*Iran* Hamid Dabashi, 2007 A political and cultural history of Iran and an up-to-the-moment account of the latest rogue nation to make international headlines by a preeminent scholar of Iran. Iran's nuclear ambitions have thrust this increasingly powerful country into the international spotlight, attracting media attention to a degree not seen since the late 1970s when a popular revolutionary movement toppled its pro-U.S. monarchy. Yet most people's knowledge of Iran stops short at the 1979 hostage crisis and the rule of Ayatollah Khomeini. In this brilliant and lucid new historical narrative, a preeminent scholar of modern Iran fills a crucial gap in our understanding of the nation that has emerged as the United States' prime antagonist. Hamid Dabashi, an internationally renowned cultural critic and scholar of Iranian history and Islamic culture, traces the full sweep of that country's history over the past two centuries with unprecedented analysis of key events, cultural trends, and political developments up to the collapse of the reform movement and the renewed hostilities with the U.S. with the emergence of the

new and combative presidency of Mahmoud Ahmadinejad Destined to become the standard book on modern Iranian history Iran A People Interrupted is a deeply informed and eloquently written account of a national struggle for freedom and democracy against the overwhelming backdrop of the US military hegemony one that will be of enduring immediate and urgent interest to anyone hoping to make sense of current events in the larger historical and regional contexts Includes discussion of such events as The election of Ahmadinejad and the current nuclear showdown with the United States and Europe The rise of Iran as a major regional power challenging U S policy in the region The Salman Rushdie Affair of 1989 The Iran Iraq War of 1980 88 The U S hostage crisis of 1979 80 The Islamic revolution in 1979 The rise of the Soviet Union and the United States as superpowers and the impact on Iran and the Middle East The emergence of Reza Shah as a tyrannical modernizer The emergence of Iran as a modern nation state during the anticolonial struggles of the 19th century Destined to become the standard book on modern Iranian history Iran A People Interrupted is a deeply informed and eloquently written account of a national struggle for freedom and democracy against the overwhelming backdrop of the U S military hegemony one that will be of enduring immediate and urgent interest to anyone hoping to make sense of current events in the larger historical and regional contexts *Forugh Farrokhzad, Poet of Modern Iran* Dominic Parviz Brookshaw, Nasrin Rahimieh, 2023-05-04

The pioneering Iranian poet and filmmaker Forugh Farrokhzad was an iconic figure in her own day and has come to represent the spirit of revolt against patriarchal and cultural norms in 1960s Iran Five decades after her tragic death at the age of 32 Forugh Farrokhzad Poet of Modern Iran brings her ground breaking work into new focus During her lifetime Farrokhzad embodied the vexed predicament of the contemporary Iranian woman at once subjected to long held traditional practices and influenced by newly introduced modern social sensibilities Highlighting her literary and cinematic innovation this volume examines the unique place Farrokhzad occupies in Iran both among modern Persian poets in general and as an Iranian woman writer in particular The authors also explore Farrokhzad s appeal outside Iran in the Iranian diasporic imagination and through the numerous translations of her poetry into English It is a fitting and authoritative tribute to the work of a remarkable woman which will introduce and explain her legacy for a 21st century audience This second edition includes two new chapters which explore a travelogue Farrokhzad wrote during her time in Italy and an examination of Farrokhzad s influence on the writings of the Afghan female poet Laila Saradat Rowshani

**Iran, the Green Movement and the USA** Hamid Dabashi, 2013-07-04 Iran the Green Movement and the USA presents the paradox that the USA faces in dealing with Iran over its nuclear armament negotiate and legitimize Ahmadinejad s otherwise troubled presidency resort to sanctions or military strikes and altogether destroy the budding civil rights campaign of the Green Movement Either way as leading Iranian scholar Hamid Dabashi argues the Islamic Republic will become even stronger Featuring a short history of how the USA and Iran came to be in this confrontation this elegantly written book provides the reader with a dynamic picture of the regional geopolitics and a purposeful guide to how to understand and deal

with it **Iran Without Borders** Hamid Dabashi, 2016-08-09 A history of the cosmopolitan forces that made contemporary Iran No ruling regime writes Hamid Dabashi could ever have a total claim over the idea of Iran as a nation a people For decades the narrative about Iran has been dominated by a false binary in which the traditional ruling Islamist regime is counterposed to a modern population of educated secular urbanites However Iran has for many centuries been a nation forged from a diverse mix of influences most of them non sectarian and cosmopolitan In *Iran Without Borders* the acclaimed cultural critic and scholar of Iranian history Hamid Dabashi traces the evolution of this worldly culture from the eighteenth century to the present day journeying through social and intellectual movements and the lives of writers artists and public intellectuals who articulated the idea of Iran on a transnational public sphere Many left their homeland either physically or emotionally and imagined it from places as far flung as Istanbul Cairo Calcutta Paris or New York but together they forged a nation as worldly as it is multifarious

**The Green Movement in Iran** Hamid Dabashi, 2011-12-31 The Green Movement in Iran contains Hamid Dabashi's most important writings on the Iran's June 2009 election its tumultuous aftermath and the characteristics and aspirations of the emerging Green Movement These analyses range from close analysis of the nature of the events to the Green Movement's historical background and future political consequences The writings have been modified and updated for book publication The volume presents Dabashi's account of the events since June 12 2009 the Election Day itself and his recap of highlights of the build up period to the mass protests He provides insightful background for events on the ground dealing with debates about the credibility of the election He then discusses political continuity in Iran as well as the characteristics of the Green Movement Dabashi argues that the reaction of the custodians of the Islamic Republic to the charge of the election being a fraud only affirms its lost legitimacy and casts the system as being neither Islamic nor a republic Dabashi also comments on US politics and its relations to Iran and the Green Movement pointing out shortcomings in American media culture The role of the Iranian opposition in the Green Movement and American political policies the political and economic consequence of the U S sanctions against Iran and the way these may be interpreted by Iranian society are all viewed from an enlightening perspective Dabashi argues that the Iranian regime suffering deeply from legitimacy issues makes use of its bureaucratic economic and political leverage to stage a show of support and project division among the people

**From Persian Empire to Islamic Iran** Parviz S. Towfighi, 2009 This book explores the relationship between Iranian nationalism and Islam especially Shi'ism as the adopted official religion of the country by the founder of the Safavid Dynasty in 1501 A D It covers selected periods in fourteen centuries of the Iranian history with greater emphasis on the last two centuries where secular Western reformist ideas overlap with progressive religious thinking resulting in the Constitutional Movement of 1905 1909

**Rethinking Iran** Christoph Bertram, 2008 This paper urges Western governments to consider the alternatives approaches of cooperation d tente and even partnership as the basis for addressing nuclear concerns as well as Iran's growing influence on the entire region Such a change in policy would require

courage and patience and the results are by no means certain But while cooperation may not diminish Iran s nuclear ambitions a change in approach could bring results in important areas beyond the nuclear issue The risks of such a strategy it is argued are not so great as to mitigate against taking this opportunity while there is still time Should Iran nevertheless obtain nuclear weapons in a decade s time deterrence containment and d tante would still be effective options Until such a time the chance to involve Iran in efforts to bring stability to the region should not be squandered *The Iranian Internet*
