

The background of the cover is a painting of a woman with dark hair, wearing a dark, heavy coat, standing in a forest. She is holding a small, clear glass jar in her hands and looking directly at the viewer with a serious expression. The forest has bare, gnarled trees and a misty or foggy atmosphere. The title 'IRENA'S JARS of SECRETS' is written in a large, stylized, brown serif font with a white outline, positioned in the upper right quadrant of the cover.

Irena's Children Tilar J. Mazzeo, 2016-09-27. For desperate families trapped inside the Warsaw ghetto in 1942, with small children, one name was whispered urgently. It was the name of a young social worker in her thirties with the courage to take staggering risks and to save over 2,000 of those children from death and deportation. Granted access to the ghetto as a public health specialist, Irena Sendler began by smuggling orphaned children out of the walled district and convincing her friends and neighbours to hide them. Soon she began the perilous work of going from door to door and asking Jewish families to trust her with their young children. Driven to extreme measures and with the help of local Warsaw tradesman, Jewish residents, a network of mothers, and her star-crossed lover in the Polish resistance, Irena Sendler ultimately smuggled thousands of children past the Nazis, making dangerous trips through city's sewers, hiding them in coffins and under overcoats at check points and slipping through secret passages in abandoned buildings. At immense personal risk, Irena Sendler did something even more astonishing: she kept a secret list buried in a jar under an old apple tree in her garden. On it were the names and true identities of these Jewish children, recorded so that after the war, their families could find them. Celebrated for her courage, Sendler was nominated for a Nobel Peace Prize in 2007, the year before her death at the age of 98. The story of Irena Sendler and of the children she saved has until now never been told in a compelling narrative account.

Irena Sendler Anna Mieszkowska, 2011. This book offers the first English translation of the compelling heroine story of Irena Sendler, a Polish Catholic who organized the rescue of more than 2,500 Jewish children from the Warsaw ghetto during World War II. In the fall of 1999, four young girls from Kansas began research for a high school history project. The students were inspired by a magazine article about Irena Sendler and, after discovering that

Sendler was still alive they exchanged letters with her and eventually traveled to Poland to meet with her The play the students wrote as a result of their research and multiple interviews spawned worldwide interest in the epic story of one person who managed to save the lives of 2 500 children in Poland under German occupation This new translation brings the universally appealing story of Irena Sendler to an English speaking audience for the first time It contains moving accounts of courage and hope in the face of tremendous danger cruelty and terrifying uncertainty It also portrays the unspeakable emotional distress suffered by the children s parents who chose to give them up and communicates the decades of immense longing loneliness and guilt of the rescuees for having survived while their families did not Based on sound scholarship and research while also being easy to read and accessible to a wide readership Provides a complete chronological presentation of Sendler s life from her childhood education and wartime humanitarian efforts to her postwar experiences including her professional and personal life and her visit to Israel Presents unique information from letters and interviews with the now elderly children Sendler rescued over 60 years ago illuminating the dramatic influence she had upon their lives Contains several sections written in the voice of Irena Sendler resulting in a lively conversational first person narrative that gives a reading experience akin to sitting with Sendler and hearing her story firsthand *Irena's Children* Tilar J.
