Jackson The Sons Of Dusty Walker English Edition:

Jackson Randi Alexander, 2015-11-05 When rodeo bronc rider Jackson Walker's father passes away he's shocked to find he's not the only son of Dusty Walker. His dad had three other families at compass points around the country. When a stipulation in Dusty's will requires him to live in his dad's house and work at his company for one week, Jackson heads to Red Creek, Kansas, to get it over with so he can get the hell back to his regularly scheduled life. Computer engineer Rori Hughes needs to solidify her position in Dusty's company, but the only one of his four sons available is Jackson, and Rori has a mighty low opinion of rodeo cowboys. Finding inconsistencies in the computer files, Rori and Jackson work together to solve the mystery, but their constant contact fires a red-hot desire that burns wild between them. Spending their days at Dusty's opulent lakeside home and their nights together making love, they both ignore the warning signs that point to their attraction becoming more than merely sexual. Jackson's time in Red Creek is coming to an end, but can he follow his original plan and leave town, breaking away from smart, beautiful, sexy Rori?

Rori and Jackson Randi Alexander, 2015 Jackson Walker is anxious about spending a whole week in Red Creek, Kansas, with his newly discovered brothers. Will they be able to work as a team at the company they inherited from their dad? Can they even be in the same room together without getting into a dust-up? What he has no concerns about, however, is the woman he's fallen crazy in love with: sexy, quirky computer engineer Rori Hughes. But that changes when her family comes to town with an offer she can't refuse. Jackson is more confused than he's ever been in his life, including the day when he'd been just fifteen and learned his father had a wife who was not Jackson's mother. Rori has major decisions to make, and she can feel Jackson backing away from her as he finds too many commitments that keep him away from town and out of her arms. His frequent nightmares concern her, but even more disturbing is the strange woman in town who has been talking with Jackson and going out of her way to avoid Rori. As fall turns into winter and the holidays quickly approach, will Jackson and Rori find a way around their suspicions and insecurities, or will there be separate and heartbroken Christmases for each of them?
