Reading Unruly Zahi Zalloua, 2014-05-01 Drawing on literary theory and canonical French literature Reading Unruly examines unruliness as both an aesthetic category and a mode of reading conceived as ethical response Zahi Zalloua argues that when faced with an unruly work of art readers confront an ethical double bind hesitating then between the two conflicting injunctions of either thematizing making sense of the literary work or attending to its aesthetic alterity or unreadability Creatively hesitating between incommensurable demands to interpret but not to translate back into familiar terms ethical readers are invited to cultivate an appreciation for the unruly to curb the desire for hermeneutic mastery without simultaneously renouncing meaning or the interpretive endeavor as such Examining French texts from Montaigne s sixteenth century Essays to Diderot s fictional dialogue Rameau s Nephew and Baudelaire s prose poems The Spleen of Paris to the more recent works of Jean Paul Sartre s Nausea Alain Robbe Grillet s Jealousy and Marguerite Duras s The Ravishing of Lol Stein Reading Unruly demonstrates that in such an approach to literature and theory reading itself becomes a desire for more an ethical and aesthetic desire to prolong rather than to arrest the act of interpretation *Water Reuse Within a Circular Economy Context* International Centre for Water Security and Sustainable Management, UNESCO, 2020-10-30
