**Cooking Texas Style** Candy Wagner,Sandra Marquez,1983 The dramatic career of the Irish playwright J M Synge from his first plays in 1902 to his premature death in 1909 almost exactly coincided with the years of Edward VII s reign Those years have long been studied in a British context but Synge and Edwardian Ireland is the first book to explore the cultural life of Edwardian Ireland as a distinctive period By emphasizing several less familiar Irish contexts for Synge s work including a new sociological awareness the rise of a localcelebrity culture an international theatre context the arts and crafts movement Irish classical music and comedic writing by Somerville and Ross this collection shows how the Revival s preoccupation with folk culture intersected with the new networks of mass communication in the late imperial world Although Synge is best known as a dramatist this book concentrates on his prose and the ethnography of his photographs the work in which his engagement with Edwardian Ireland can be mostsignificantly seen Often misunderstood as apolitical Synge s writings and photography display a romantic resistance to modernity alongside their more accurate observations of contemporary conditions It is through this ambivalent modernity that his work continued to haunt not just advocates like W B Yeats but even Synge s critics including Padraig Pearse and James Joyce all of whom were forced to come to imaginative terms with Synge through their own work This book aims to change readers sense of Synge s significance and by doing so to illuminate in a quite new way the era of Edwardian Ireland during this period of rapid modernization      Southern Living Annual Recipes Master Index, 1979-1985 ,1986      Southern Living, 1993 Annual Recipes Southern Living,1993-12 Every single recipe from 1993 plus bonus sections entertaing ideas charts and tips 3 indexes Cover      **Great Recipes for Good Health**
