James Buchanan And The Political Crisis Of The 1850s

Richard S. Randall

James Buchanan And The Political Crisis Of The 1850s:

James Buchanan and the Political Crisis of the 1850s Michael J. Birkner, 1996 When Buchanan entered the White House in March 1857 he seemed well positioned to accomplish his main objectives A canny and seasoned politician from Pennsylvania with a reputation for moderation on slavery related issues Buchanan had a straightforward agenda the amelioration of sectional tensions the promotion of American prosperity and the extension of the Democrats control of the federal government Four years later Buchanan left Washington convinced that he had done his best and accomplished much In fact he left behind a shattered Democratic party a new Republican president Abraham Lincoln and a ruptured Union Except for a cadre of faithful Pennsylvania friends Buchanan s reputation lay in ruins He has consistently been ranked among the least effective presidents in American history

James Buchanan and the Coming of the Civil War John W. Quist, Michael J. Birkner, 2013-03-19 As James Buchanan took office in 1857 the United States found itself at a crossroads Dissolution of the Union had been averted and the Democratic Party maintained control of the federal government but the nation watched to see if Pennsylvania s first president could make good on his promise to calm sectional tensions Despite Buchanan s central role in a crucial hour in U S history few presidents have been more ignored by historians In assembling the essays for this volume Michael Birkner and John Quist have asked leading scholars to reconsider whether Buchanan s failures stemmed from his own mistakes or from circumstances that no president could have overcome Buchanan s dealings with Utah shed light on his handling of the secession crisis His approach to Dred Scott reinforces the image of a president whose doughface views were less a matter of hypocrisy than a thorough identification with southern interests Essays on the secession crisis provide fodder for debate about the strengths and limitations of presidential authority in an existential moment for the young nation Although the essays in this collection offer widely differing interpretations of Buchanan s presidency they all grapple honestly with the complexities of the issues faced by the man who sat in the White House prior to the towering figure of Lincoln and contribute to a deeper understanding of a turbulent and formative era

A Companion to the Antebellum Presidents, 1837 - 1861 Joel H. Silbey, 2014-01-06 A Companion to the Antebellum Presidents presents a series of original essays exploring our historical understanding of the role and legacy of the eight U S presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United States history

The Political Crisis of the 1850s Michael Fitzgibbon Holt, 1978 Here is a significant new

interpretation of antebellum politics and the causes of the War Between the States Examining American political development from 1820 1861 this concise provocative book traces the dynamics of the interparty conflict that first contained sectional controversy and then aggravated it Holt provides an original interpretation of the failure of the Whig Democratic party structure in the 1850s He connects these developments with the obsession of Americans in both North and South to perpetuate republican self government The author argues that this obsession was transformed into a frenzy by the temporary loss of confidence in the political process finally driving countrymen to the point of killing each other in 1861 Along the way Holt reassesses the role of slavery and the problem of race the nature of the early Republican party the interaction of national and state levels of government and more Tough minded and analytical he combines the best of the ideological and the behavioral approaches to the era advancing an arresting new theory on the most celebrated breakdown of the American democratic system Publisher *Diversionsary War* Amy Oakes,2012-10-03 The very existence of diversionary wars is hotly contested in the press and among political scientists Yet no book has so far tackled the key questions of whether leaders deliberately provoke conflicts abroad to distract the public from problems at home or whether such gambles offer a more effective response to domestic discontent than appeasing opposition groups with political or economic concessions *Diversionsary War* addresses these questions by reinterpreting key historical examples of diversionary war such as Argentina s 1982 Falklands Islands invasion and U S President James Buchanan s decision to send troops to Mormon Utah in 1857 It breaks new ground by demonstrating that the use of diversionary tactics is at best an ineffectual strategy for managing civil unrest and draws important conclusions for policymakers identifying several new and sometimes counterintuitive avenues by which embattled states can be pushed toward adopting alternative political social or economic strategies for managing domestic unrest

Encyclopedia of U.S. Political History Andrew Whitmore Robertson,2010 Annotation st1 behavior url ieooi Unparalleled coverage of U S political development through a unique chronological frameworkEncyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political

Encyclopedia of U.S. Political History Andrew Robertson,Michael A. Morrison,William G. Shade,Robert Johnston,Robert Zieger,Thomas Langston,Richard Valelly,2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework

Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and

shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877 VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered

Winning It Back David A. Crockett, 2026-01-15 In *Winning It Back* David A. Crockett explores why presidents who promise to set things aright to restore so often usher in the opposite Since the earliest days of the United States presidencies have seemingly unfolded in a

cyclical manner with features from prior eras recurring in later ones Building on the idea of political time that presidential terms fall within particular regime cycles Crockett shows that presidents often fall into one of two roles opposition presidents and restoration presidents Opposition presidents belong to the political party not representing the dominant governing philosophy of a specific political era for example Republican presidents during the New Deal era e g Eisenhower Nixon and Democratic presidents during the Reagan era e g Clinton Obama Restoration presidents conversely belong to the dominant party come to power after opposition presidents and as such face the task of restoring the dominant party s governing agenda But that return is rarely smooth Restoration presidents like Kennedy after Eisenhower or George W Bush after Clinton inherit both the hope of a comeback and the burden of pent up expectations Crockett argues that these leaders often overreach in their urgency to restore what was inadvertently setting the stage for backlash and eventually the unraveling of their own political order With sharp historical analysis and a wide angle view of presidential politics from Jackson to today *Winning It Back* offers timely insights on leadership legacies and the risks of nostalgia and a clarion call for what and who may come next

Bleeding Kansas Nicole Etcheson,2004 This comprehensive political military social and intellectual history of America s tumultuous mid nineteenth century offers a new interpretation of how the struggle of Kansas politicians and settlers over the meaning of liberty for whites eventually led to a broadening definition of liberty that included the rights of blacks

James Buchanan Jeff C. Young,2003 A biography of the fifteenth president of the United States describing his attempts to lead a divided nation under the scourge of slavery Includes Internet links to Web sites source documents and photographs related to James Buchanan

The North Carolina Historical Review ,1997

Shapers of the Great Debate on the Civil War Dan Monroe,Bruce Tap,2005-07-30 Each biography provides a concise account of the subject s life followed by an analysis of the figure s role and contribution to the central issues of the day and concludes with a bibliography of secondary and primary sources available to students An appendix of over 180 additional biographies highlights the lives of others who played a role in the debates of the Civil War

Southern Unionist Pamphlets and the Civil War Jon L. Wakelyn,1999 The southern unionist leaders used their oral and written communication skills to proclaim their opposition to the Confederacy often producing pamphlets that circulated in the North in the border states and in the heart of the Confederacy itself Jon L Wakelyn unites the voices of these southern unionists in the first comprehensive collection of their written arguments

Southern Unionist Pamphlets and the Civil War

The Moral Rhetoric of American Presidents Colleen J. Shogan,2006 The Moral Rhetoric of American Presidents analyzes the president s role as the nation s moral spokesman Drawing on the quantitative methods from political science and the qualitative case study approach prevalent in rhetorical studies Colleen J Shogan demonstrates that moral and religious rhetoric is not simply a reflection of individual character or an expression of

American civil religion but a strategic tool presidents can use to enhance their constitutional authority BOOK JACKET

American Constitutional Development: The powers of government Richard S. Randall, 2002 This volume examines constitutional law in a unique developmental framework that shows how key events through American history have shaped the Supreme Court's understanding of the Constitution Places unique emphasis on the political economic social and developmental aspects of the Supreme Court's constitutional decisions The book examines the great issues and events of government and politics in the early middle and modern constitutions how they have shaped the Supreme Court's understanding of the Constitution and how the distributive consequences of that understanding in turn affect American political life For those who are interested in the American constitution

Historical Dictionary of the Civil War: M-Z Terry L. Jones, 2002 An expert in world conflicts Jones brings the sounds and sights of battle to life detailing each charge the evolution of battle tactics and the importance of diplomacy for both sides In these two volumes Terry Jones provides impressively clear coverage of the underlying economic causes the progressively divisive political developments the outbreak of the war itself and finally the military campaigns year by year and battle by battle He clarifies complex issues as he explains the various factions their interests and their hidden agendas From the hopelessly impotent Congressional votes to the spilling of blood on the battlefield Jones makes this period of American history compelling reading Extensively cross referenced includes a substantial bibliography illustrated with maps and photos Amazon com

Early Globalization and the Economic Development of the United States and Brazil John DeWitt, 2002-01-30 Placing the globalization process in historical context this work studies this topic through the experiences of the two most populous states of the Western Hemisphere Brazil and the USA It highlights the different consequences that are incorporated into the world economy for these states
