further as we have created this book of writing prompt and story starters for kids in Grades 1-3. Why are writing prompts important for young kids? At this age, children have the creative ability to write about a range of simple issues but usually they just need a bit of inspiration on how to start writing. Hence, our story starters can help them to tap into their imagination. To reinforce a good writing habit, it is also necessary to learn writing skills at this age. When kids begin writing, they will further learn how to put their thoughts on paper and how to use words to describe concepts. Now, to get them to enjoy writing, let's help to tap into their creativity of using fun writing prompts.
