## **John Donne Life Mind And Art:**

**John Donne** John Carey, 2011-11-03 Donne is perhaps the most intellectual of English poets and John Carey is perhaps the most intelligent of contemporary English literary critics The encounter as one might expect is fierce and enthralling This book is sensitive searching powerful exciting provocative and witty It is a superb achievement Christopher Hill TLS John Donne Life Mind and Art is a unique attempt to see Donne whole Beginning with an account of his life it takes as its domain not only the whole range of the poetry but also the sermons the letters the spiritual and controversial works and such highly personal documents as the treatise on suicide The result is a clearer picture than has hitherto emerged of one of the most intricate and compelling of literary personalities The one book we have needed all along A magnificent exercise in reappraisal I have never read a critical work which reaches as deeply inside the mind of its subject Jonathan Raban Sunday Times Carey's book is itself alive with the kind of energy it attributes to Donne Christopher Ricks London Review of Books

John Donne, Life, Mind, and Art John Carey, 1981      **John Donne** John Carey, 1981-01      **John Donne** Harold Bloom, 2009 Presents a critical analysis of some of the works of John Donne with a short biography      John Donne Poets for Pleasure John Donne, 1990 A comprehensive selection of Donne's works which contains in addition to the poems excerpts from all the prose writings among them relatively unfamiliar items such as Donne's private letters his comic onslaught on the Jesuits Ignatius His Conclave and his defense of suicide Biathanatos Over 130 excerpts from the sermons are drawn from all 16 years of Donne's preaching career culminating in the full text of his last sermon Death's duel In the introduction editor John Carey author of the acclaimed critical biography John Donne Life mind and art locates Donne's writing in its turbulent social and historical context      *Gale Researcher Guide for: John Donne and "Love's Subliming Fire"* Andrew Zawacki, Brett DeFries, Gale Researcher Guide for John Donne and Love's Subliming Fire is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research      *John Donne and the Rhetorics of Renaissance Discourse* James S. Bauman, 1991 Examining Donne's poetry and his increasingly sophisticated use of rhetoric Bauman argues that there are four distinct theories of historical rhetoric the incarnational the transcendental the sceptical and the sophistic which foster four distinct theories of reading      *Returning to John Donne* Achsah Guibbory, 2016-03-23 Collected in this volume are Achsah Guibbory's most important and frequently cited essays on Donne which taken together present her distinctive and evolving vision of the poet The book includes an original substantive introduction as well as new essays on the Devotions upon Emergent Occasions the Songs and Sonnets and the subject of Donne and toleration Over the course of her career Guibbory has asked different questions about Donne but has always been concerned with recovering multiple historical and cultural contexts and locating Donne's writing in relation to them In the essays here she reads Donne within various contexts the early modern thinking about time and history religious attitudes towards sexuality the politics of

early modern England religious conflicts within the church While her approach has always been historicist she has also foregrounded Donne s distinctiveness showing how and why he continues to speak powerfully to us now Presented together here with reflections on the trajectory of her engagement with Donne Achsah Guibbory illuminates Donne s understanding that erotic spiritual and political issues are often intertwined and reveals how this understanding resonates in our own times

**The Poetry of John Donne** Bernard Martin, 1990

**Renaissance Et Réforme**, 2018 *John Donne's Marriage Letters in The Folger Shakespeare Library* John Donne, 2005 This is a complete facsimile edition of fourteen autograph letters of John Donne that are among the greatest treasures of the Folger Library. The letters dating from February and March 1602 relate to Donne's clandestine marriage to Anne More and are addressed to his father-in-law Sir George More and to Sir Thomas Egerton, the Lord Keeper who was also Donne's employer. The text of a letter provides one part of the story while its very tangibility—the ancient folds, the grime and fingerprints deposited by the writer, the broken seals, the ink blots, the idiosyncratic spelling, the location of a signature—tells another. An understanding of a letter's written and unwritten social signals brings into focus a fuller, grittier and a clearer view of life in 17th century England.

M. Thomas Hester is professor of English at North Carolina State University, Raleigh. Robert Parker Sorlien is professor emeritus of English at the University of Rhode Island. Dennis Flynn is professor of English at Bentley College, Waltham, Massachusetts. *John Donne's Marriage Letters* was recognized in the AIGA 50 Books/50 Covers competition as one of 100 examples of outstanding book and book cover design produced in 2005.

**The South Atlantic Quarterly** John Spencer Bassett, Edwin Mims, William Henry Glasson, William Preston Few, William Kenneth Boyd, William Hane Wannamaker, 1982

**The Reformation Unsettled** Jan Frans van Dijkhuizen, Richard Todd, 2008 Recent historical studies have emphasized that the English Reformation can no longer be seen as an inevitable response to abuses within the late medieval Western Catholic Church. Contrary to Protestant stereotypes, the late medieval Church catered to the spiritual needs of its members. In addition, the English Reformation was an incomplete process and even after the Elizabethan Settlement of 1559, English religious culture was full of continuities with the past. With pre-Reformation religious culture only partially displaced, this essay collection investigates how the literature of the first century after the Elizabethan Settlement dealt with this cultural ambivalence. Focusing on a mixture of canonical texts and less well-known ones, the contributors show that the religious hybridity of early modern England is found in a concentrated form in the literary texts of the period. In contrast to theologians, literary writers were not obliged to choose sides. Literary discourse could confront incompatible doctrinal perspectives within a single text or forge a hybrid spiritual sensibility out of the competing religious traditions. Literature, sometimes in spite of writers' avowed denominational allegiances, embraced, explored, and deepened the ambivalence of early modern English religious culture in a manner unavailable in other kinds of

texts
