**Made to Dance -The Mantles' Manual** Tawana Brumfield-Gordon,2014-11-12 This book Made To Dance has been written with the intentions to teach the teachers how to recognize the gift and talent of Liturgical Worship through the dance In reading this book my desire is that as the leaders learn how to recognize the gift that they will sensitively cultivate and train them to nurture the gift I have been mandated to help educate those that have a strong gift to dance and also those that have a strong gift to teach the dance This book was not written with the mindset to just inform the leaders of worship through dance but also to inform all of who feel as if they have been called to this silent but powerful ministry but to those that are not sure exactly what it is t his book will definitely shed some light on the reason why praise is important as well as worship through dance While reading this book my desire is that all who reads feel well educated and well on their way to having a strong productive relationship with God and understand first that everyone is not gifted to dance under the unctioning of the Lord second that some may be called to just dance but not be called or gifted to teach it I pray that the intent of this book helps to draw you closer to the source and that you understand that for the spirit of heaviness you are to put on the garment of praise Praise Is a Weapon and dance is a language You will see the importance in knowing that they that worship God must worship him in spirit and in truth Just Remember that praise is a weapon and worship should be your lifestyle LET S DANCE     "The" Graphic ,1878     **Encyclopaedia Londinensis, Or, Universal Dictionary of Arts, Sciences, and Literature** ,1816     Encyclopaedia Londinensis, Or, Universal Dictionary of Arts, Sciences, and Literature, Comprehending, Under One General Alphabetical Arrangement, All the Words and Substance of Every Kind of Dictionary Extant in the English Language ...
